¹ Excludes Pell Grants. Federally supported student aid that is received through students is included under tuition and auxiliary enterprises.
² Generally includes only those revenues associated with major federally funded research and development centers (FFRDC).
³ Less than 0.05 percent.

Education. The new degree-granting classification is very similar to the earlier higher education classification, except that it includes some additional institutions, primarily 2-year colleges, and excludes a few higher education institutions that did not award associate or higher degrees. Detail may not sum to totals due to rounding.
