<sup>1</sup> Individuals age 16 to 24 who graduated from high school or completed a GED during the preceding 12 months.

<sup>2</sup> Enrollment in college as of October of each year for individuals age 16 to 24 who completed high school during the preceding 12 months.

<sup>3</sup> Due to the small sample size, data are subject to relatively large sampling errors.

NOTE: Data are based upon sample surveys of the civilian population. High school graduate data in this table differ from figures appearing in other tables because of vary-

ing survey procedures and coverage. High school graduates include GED recipients. Standard errors appear in parentheses.
