¹Tuition and fees received from veterans under Public Law 550 are reported under student fees and are not under income from the federal government.
²Federally supported student aid that is received through students is included under tuition and auxiliary enterprises.
³Includes federal aid received through state channels and regional compacts, through 1959-60.
⁴Beginning in 1969-70, the private grants represent nongovernmental revenue for sponsored research, student aid, and other sponsored programs.
⁵Prior to 1959-60, data for hospitals are included under sales and services of educational activities.
⁶Institutions that were accredited by an agency or association that was recognized by the U.S. Department of Education, or recognized directly by the Secretary of Education.
⁷Income from state and local governments tabulated under "State governments."
⁸Data are for 4-year and 2-year degree-granting institutions that were participating in Title IV federal financial aid programs.

NOTE: Data for years prior to 1969-70 are not entirely comparable with data for later years. Also, some details for 1969-70 are not directly comparable with data for later years. Detail may not sum to totals due to rounding.
