¹ Numbers of undergraduates may not equal figures reported in other tables, since these data are based on a sample survey. Includes students who enrolled at any time during the academic year.

² Title IV of the Higher Education Act.

³ Supplemental Educational Opportunity Grants.

⁴ College Work Study (CWS). Prior to October 17, 1986, private, proprietary institutions were prohibited by law from spending CWS funds for on-campus work. Includes persons who participated in the program, but had no earnings.

⁵ Formerly National Direct Student Loans (NDSL).

⁶ Formerly Guaranteed Student Loans (GSL).

⁷ Parent loans for Undergraduate Students.

⁸ Full-time students are students who attend full-time for the entire academic year. All other students, including those who attend full-time for part of the academic year, are counted as part-time students.

⁹ Less than .05 percent.

NOTE: Excludes students whose attendance status was not reported. Because some students receive aid from multiple sources and rounding, percents do not add to totals.
