Rounds to zero.

¹ Includes students who reported they were awarded aid, but did not specify the source of aid.

SOURCE: U.S. Department of Education, National Center for Education Statistics, National Postsecondary Student Aid Study, 1992–93, 1995–96, and 1999–2000. (This table was prepared July 2002.)

NOTE: Total includes some students whose level of study was unknown. Because of rounding and the fact that some students receive aid from multiple sources, percents do not add to totals. Standard errors appear in parentheses.
