¹ All of the new students reported by the institutions in that state; i.e., all in-migrants and "remaining" students.² All students living in a particular state when admitted to an institution in any state. Students may be enrolled in any state.³ Students who attend institutions in their home state.⁴ Includes students coming to U.S. colleges from foreign countries and the outlying areas.⁵ Students are reported in "state unknown" when an institution is unable to determine the student's home state.

NOTE: Includes all students who are enrolled at the reporting institution for the first time. Data are for 4-year and 2-year degree-granting institutions that participated in Title IV federal financial aid programs.
