Education Statistics

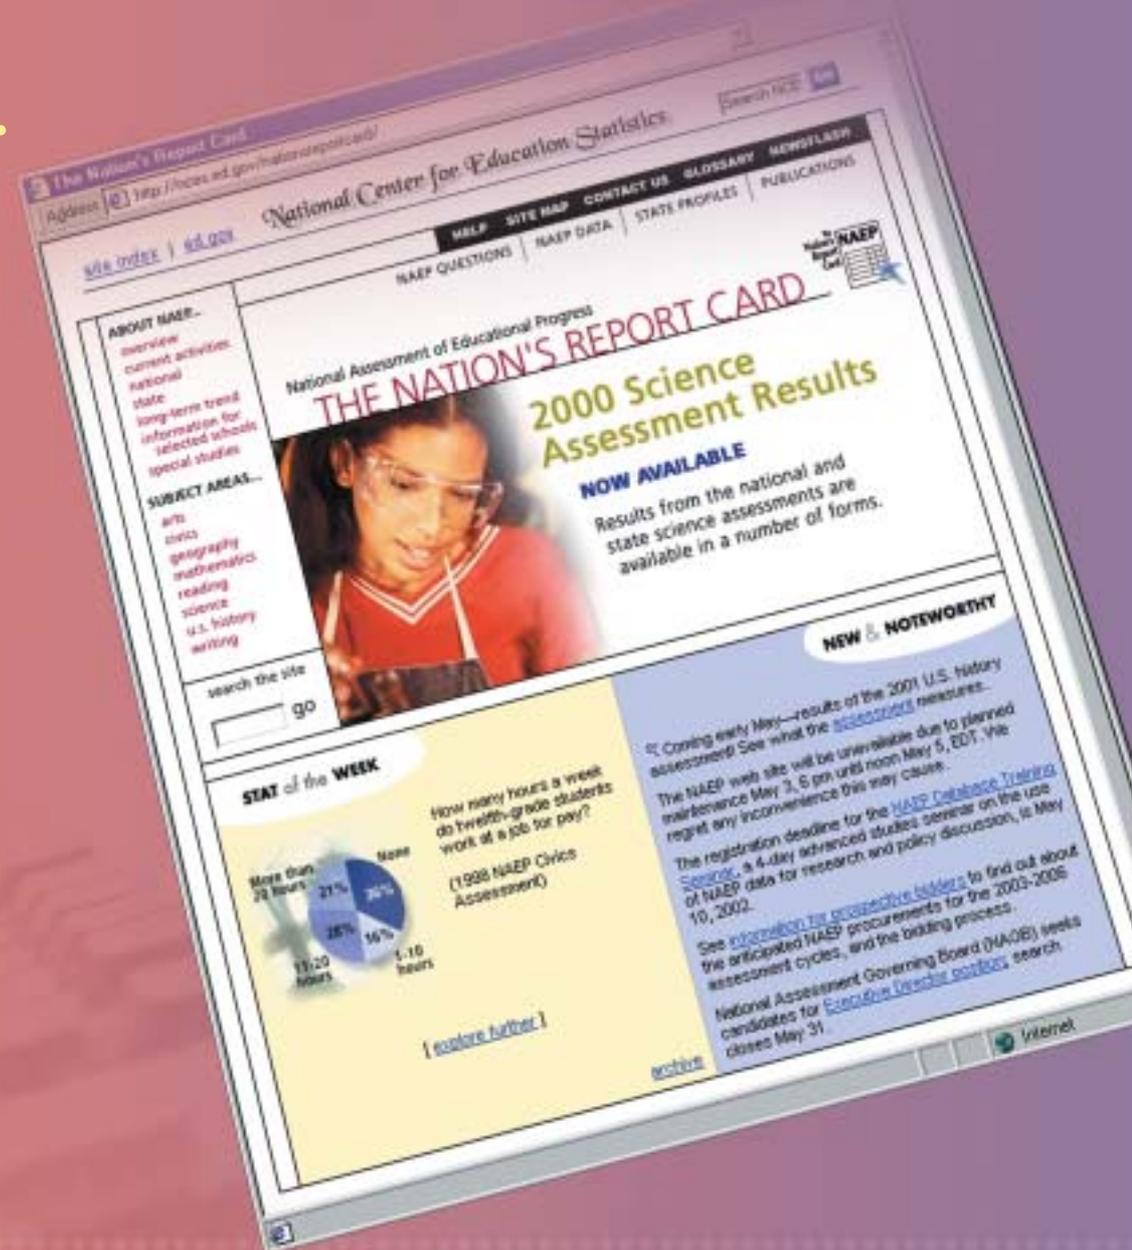

# http://nces.ed.gov/nationsreportcard

## Do you want to know...

- How well America's students are performing in school?
- How well your state's students are doing?
- How to find and analyze NAEP data on the Web?

Whatever you want to know about our nation's educational progress, here's the place to start...

...the NAEP Web Site!

## ABOUT NAEP 1

Enjoy quick access to a NAEP overview and descriptions of NAEP activities, along with a special site for schools selected to participate in NAEP.

## SUBJECT AREAS 2

Go directly to reports on student performance in any NAEP subject: reading, mathematics, science, writing, U.S. history, geography, civics, the arts, foreign language, civics, the arts, foreign language, world history, and economics.

## STAT of the WEEK 3

Focus on a particularly interesting statistic and link to other NAEP data.

## NEW & NOTEWORTHY 4

Read about upcoming NAEP activities.

## NAEP QUESTIONS 5

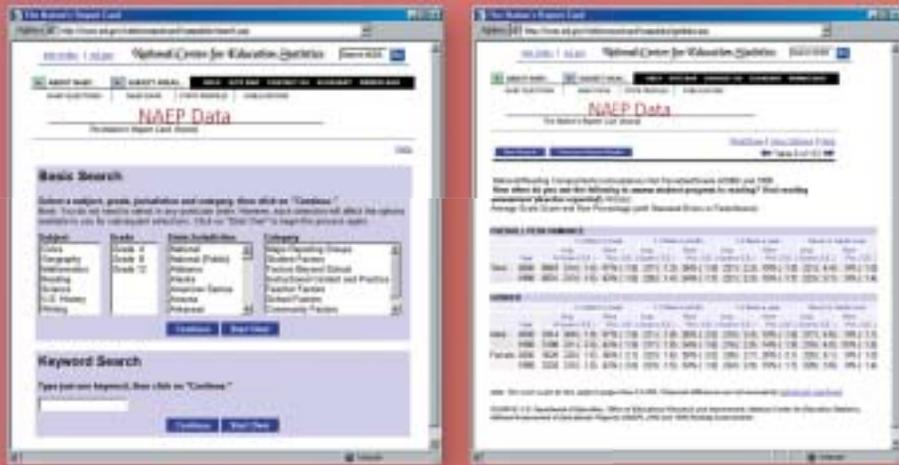

Examine more than a thousand questions from NAEP assessments, complete with student performance data, scoring guides, and sample student answers.

# What you'll find...

## NAEP DATA 6

Use an online tool to examine data from dozens of NAEP assessments, make comparisons, and run tests for statistical significance.

## STATE PROFILES 7

Obtain complete NAEP performance data for any state that has participated in NAEP.

## PUBLICATIONS 8

Obtain information on all NAEP publications. Most publications can be accessed online or ordered in print free of charge.

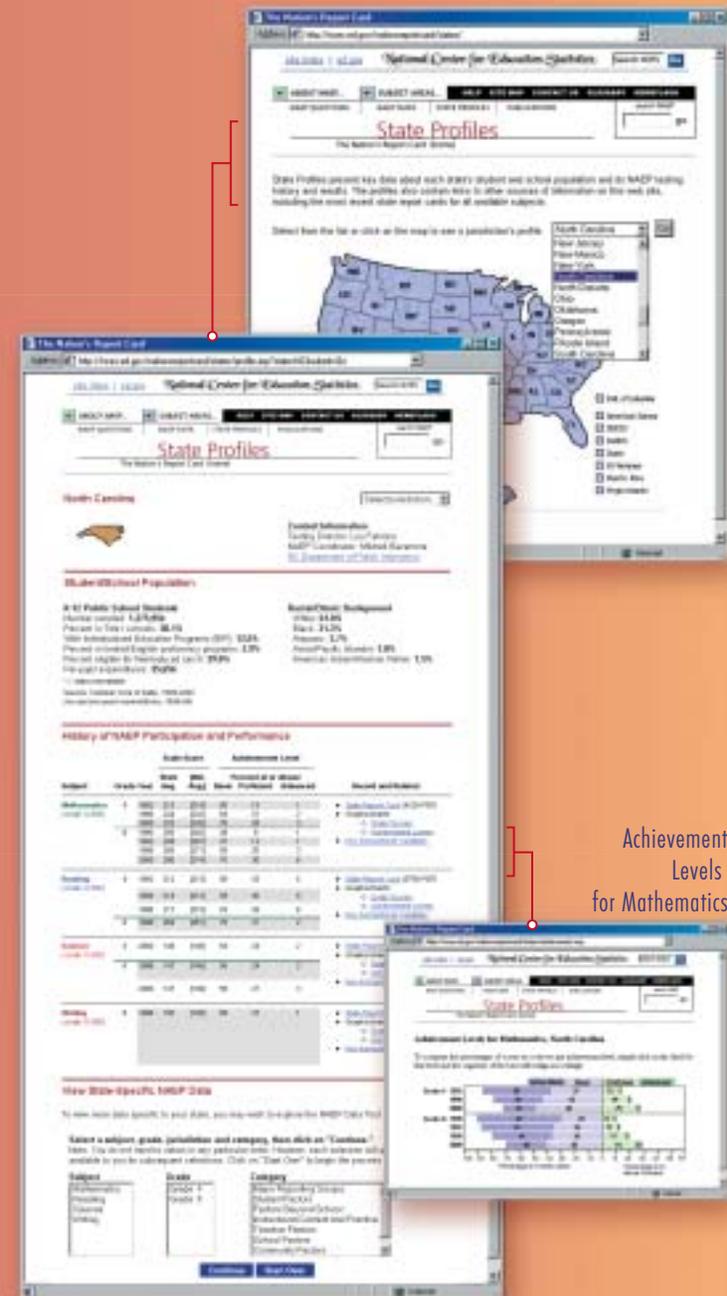

## NOW AVAILABLE 9

Links to the results of the latest NAEP Report Card.

## SAMPLE STATE PROFILE

State Profile Home Page

Achievement Levels for Mathematics

## The National Assessment of Educational Progress (NAEP) is . . .

- the only objective measure of national student performance in reading, mathematics, writing, science, and other subjects
- the only objective comparison measure of state student performance
- a unique tool for relating student performance to classroom practices, teacher background, and school policies
- a unique source of information on the performance of minority students, private school students, and other subgroups

. . . and it can all be found at  
<http://nces.ed.gov/nationsreportcard>
