0244 Reporting Means

The means by which routine information about a student's achievement or progress is communicated to the student and his or her parent/guardian for each grading period.

Entity Use: Class

Option Use: 0624 *Letter or note*

A written letter or note, facsimile transmission, or electronic mail message sent by staff members to report information about a student.

Option Use: 0625 *Parent/Guardian conference*

A meeting in which a staff member and a student's parent/guardian discuss and evaluate the student's achievement, progress, and instructional program. This conference usually takes place at the school, in the home, or over the phone. In some instances, the student and/or additional staff members take part in the conference.

Option Use: 0626 *Report card/evaluation*

The formal, written notification to a student's parent/guardian reporting a student's achievement or progress in various aspects of the school or educational institution's instructional program.

Option Use: 0627 *Access via Internet*

The means by which the staff members can report information about a student's performance by posting it on the Internet.

Option Use: 9999 *Other*

0245 Reporting Method

The method that the instructor of the class uses to report the performance and achievement of all students. It may be a qualitative method such as individualized teacher comments or a quantitative method such as a letter or numerical grade. In some cases, more than one type of reporting method may be used.

Entity Use: Class

Option Use: 0925 *Number grade*

Numbers such as 4.0, 3.0, 2.0, 1.0, and 0 are given as indicators of performance relative to a predetermined standard or norm.

Information about the way performance is measured.

- Option Use: 0926 Percentage** *A grade in the format of a fraction with the denominator equal to 100 and the numerator having a range from 0 to 100 denoting the student's score.*
- Option Use: 0927 Standard words or phrases** *Predetermined words or sequences indicating the performance of a student. Words used most frequently include excellent, above average, average, below average, failing, incomplete, and needs improvement.*
- Option Use: 0144 Letter grade/Mark** *A letter assigned to a corresponding qualitative value. (e.g., A=Excellent, B=Above Average, C=Average, D=Below Average, and F=Failing). Corresponding numerical ranges may vary for each letter grade.*
- Option Use: 0928 Teacher's comments** *Individually tailored phrases, sentences, and paragraphs written by the teacher about a student's performance.*
- Option Use: 0929 Two-word scale** *A predetermined scale of dichotomous words such as pass/fail, satisfactory/unsatisfactory, and credit/no credit.*
- Option Use: 0930 Developmental scale** *The measurement of student progress and achievement that focuses on what students know and can do. It is constructed with the recognition that there are stages of development and achievement learners move through as they gain mastery, and that each level of a developmental scale describes observable patterns of activity typical of students moving through a particular stage. These descriptions focus on five dimensions of learning: confidence and independence, knowledge and understanding, skills and strategies, use of prior and emerging experience, and reflectiveness.*
- Option Use: 0931 Mastery/non mastery** *An indication of the performance of the student by noting whether the student has mastered the content of the subject matter.*
- Option Use: 9999 Other**

Domain: School
Section: Activities

Category: Extra-curricular/Co-curricular Activities (School)

Information about the extra-curricular and co-curricular activities that are offered at the education institution.

Option Use: 0750 *Co-curricular Activity*

An activity that is related to the current curriculum in which a student is enrolled. This may be any type of school-sponsored activity designed to provide opportunities to participate in experiences on an individual or group basis (at school or public events) for the improvement of skills. The following characteristics apply to co-curricular activities: 1) participation is necessary for meeting class requirements, for credit, or for graduation; 2) sessions are conducted at regular and uniform times during school hours, or may be conducted during authorized non-school hours; 3) programs are directed or supervised by instructional staff in a learning environment similar to that found in classes offered for credit; and 4) services are primarily or totally funded by school-operating funds for general instructional purposes under the direction and control of local education authorities.

Option Use: 0751 *Extra-curricular Activity*

Any activity that is not directly related to the student's curriculum (also called "noncurricular" or "supplementary" activities), including all direct and personal services that are planned for student enjoyment and are managed and operated under the guidance of an adult or staff member. The following characteristics apply to extra-curricular activities: 1) programs are not offered for credit or required for graduation; 2) sessions are generally conducted during hours other than those established for school, or if partly during school hours, at times agreed upon by the participants with school authority approval; 3) content is determined primarily by the interests of the students and their parent/guardians with only the guidance of staff members or other adults; and 4) with the possible exception of direct costs of salaries and indirect costs of the use of school facilities, the activity is primarily self-sustaining (e.g., not financed by school-operating or instructional funds), as all other expenses are met by dues, admissions or other student fund-raising events.

0056 Assessment Reporting Method

The method that the instructor of the class uses to report the performance and achievement of all students. It may be a qualitative method such as individualized teacher comments or a quantitative method such as a letter or a numerical grade. In some cases, more than one type of reporting method may be used.

Entity Use: School

Option Use: 0490 *Age score*

A derived score used to express a student's test performance in terms of the developmental-level characteristics of the average individual of a corresponding chronological age. This is used more frequently with intelligence and achievement tests for children of school age or below. Scores can be applied to determine a student's mental age (e.g., the average chronological age of students achieving a specific raw score) or education age (e.g., test performance according to the norm age on any given level).

- Option Use: 0491 C-scaled scores** A score expressed in normalized standard score of eleven units.
- Option Use: 0492 CEEB-scores** A score developed for use with the College Entrance Examination Board tests and those tests by the Educational Testing Service as the basis for reporting scores on many of its other special program tests. It is similar to other linear standard scores but has a mean of 500 and a standard deviation of 100.
- Option Use: 0493 Grade equivalent or grade-level indicator** A derived score expressed as the grade placement of those students for whom a given score was average.
- Option Use: 0494 ITED-score** A score developed for use with the Iowa Tests of Educational Development, but which is now also used with the American College Testing Program and other tests. This score has a mean of 15 and a standard deviation of five, and scores are based on nationally-representative sample of tenth-and eleventh-grade students.
- Option Use: 0144 Letter grade/Mark** A letter assigned to a corresponding qualitative value. (e.g., A=Excellent, B=Above Average, C=Average, D=Below Average, and F=Failing). Corresponding numerical ranges may vary for each letter grade.
- Option Use: 0497 Normal curve equivalent** A score expressed in a normalized standard score with a mean of 50 and a standard deviation of 21.06. Scores range from 1 through 99 and an equal unit is retained in the scale.
- Option Use: 0498 Normalized standard score** A score that resembles standard scores (z-scores) but which is computed like percentile scores.
- Option Use: 0499 Number score** A number assigned corresponding to the total assessed quality of student response (e.g., the number of answers a student provides that are correct) or the level of a score using a holistic scoring guide usually used in writing assessments.
