In this booklet you will find questions about:

- you and your family;
- your experience of your school; and
- what you plan to do in the future.

Please read each question carefully and answer as accurately as you can. In the test you usually circled your answers. For the questionnaire, you will normally answer by filling in an oval. For a few questions you will need to write in a short answer.

If you make a mistake when filling in an oval, completely erase your error and fill in the correct oval. If you make an error when writing in an answer, simply cross it out and write the correct answer next to it.

In this questionnaire, there are no ‘right’ or ‘wrong’ answers. Your answers should be the ones that are ‘right’ for you.

You may ask for help if you do not understand something or are not sure how to answer a question.

Your answers will be kept confidential. Thank you.
