

IC Header for private 2-yr institutions

Overview

Institutional Characteristics Header Overview

Welcome to the Institutional Characteristics Header survey component (IC Header). This survey was introduced to collect data that are key to reporting throughout the IPEDS data collection, and must be completed and locked before any other survey can be started.

Some IC Header questions may require nothing more than a confirmation, if nothing has changed. Please make changes as necessary, and complete items that do need a response (enrollment questions).

Remember, it is the responsibility of the keyholder to provide NCES with accurate data about the institution. Please never hesitate to call the IPEDS Help Desk at 1-877-225-2568 and ask for help to make sure that you are reporting correctly!

Changes to This Year's IC Header Component:

- The multi-institution or multi-campus organization must now be selected from a list of organizations.

Because of the importance of the IC Header data in determining the screens you will receive in other surveys, be sure to report correctly, and to contact the IPEDS Help Desk if you have **ANY** questions about what you need to report.

The IC Header data affect other survey components in the following ways:

- The Educational Offerings question verifies your institution's inclusion in IPEDS.
- The Control and Levels page is key to all survey components, especially to Finance (F) and Graduation Rates (GR). Additionally, this is important information for students, impacts many federal reports, and is used in placing institutions in appropriate net price groupings.
- Calendar system selection impacts student charges data reported in Institutional Characteristics (IC), Fall Enrollment (EF) data, GR data, and Student Financial Aid (SFA) data related to the net price calculation.
- Enrollment levels impact student charges in IC and enrollment categories in the EF survey component.
- The operations question for new institutions determines reporting of 12-month enrollment (E12).

Part A - Educational Offerings

1. Which of the following types of instruction/programs are offered by your institution? [Check one or more]

If your institution does not offer occupational or academic programs, you are not expected to complete this or any other IPEDS survey.

<input type="checkbox"/>	<u>Occupational</u> , may lead to a certificate, degree, or other formal award
<input type="checkbox"/>	<u>Academic</u> , leading to a certificate, degree, or diploma
<input type="checkbox"/>	Recreational or <u>avocational (leisure) programs</u>
<input type="checkbox"/>	<u>Adult basic</u> or remedial instruction or high school equivalency
<input type="checkbox"/>	Secondary (high school)

Part B - Organization - Control and Levels

1. What is your institutional control or affiliation?

Be sure to select the correct control for your institution. Errors on this question have an impact throughout the IPEDS surveys, in federal reporting, in net price groupings, and on your institutions appearance to students. If you reported incorrectly in a previous year, please contact the Help Desk at 877.225.2568 to correct the error.

2. What award levels are offered by your institution? [Check all that apply]

When reporting award levels for sub baccalaureate certificates (levels 1, 2, and 4), **determine program length by the number of credit or contact hours**, NOT the academic year length in parentheses. The academic year length is meant only to provide context.

The 'Other' award level should not be used unless your program truly does not fit any of the other award levels. We expect very few institutions to fit the 'Other' category.

You may use the space below to provide context for the data you've reported above.

Part B - Organization - Calendar System

Your response to the next question determines how your institution reports Institutional Characteristics student charges data in the fall, Student Financial Aid data in the spring, and Graduation Rates data in the spring. It also impacts the net price calculation in the Student Financial Aid survey.

If the calendar system differs from prior year or requires a change, please contact the Help Desk at 877.225.2568.

3. What is the predominant calendar system at the institution? [Choose one]

Academic Year Reporting Method (Standard academic terms)

Selecting one of the following calendar types determines that your institution will provide Student Financial Aid and Graduation Rates data based on a FALL COHORT and student charges data for a full ACADEMIC YEAR.

- Semester
- Quarter
- Trimester
- 4-1-4 or similar plan

Program Reporting Method (Other calendar system)

Selecting one of the following calendar types determines that your institution will provide Graduation Rates data based on a FULL-YEAR COHORT, Student Financial Aid data on the 3 month cohort from Fall Enrollment, and student charges data by PROGRAM.

- Differs by program
- Continuous basis (every 2 weeks, monthly, or other period)

Hybrid/Mixed Reporting Method (Standard academic terms, other academic calendar)

Selecting the hybrid calendar type determines that your institution will provide Graduation Rates data based on a FULL-YEAR COHORT, Student Financial Aid data on the 3 month cohort from Fall Enrollment, and student charges data for a full ACADEMIC YEAR.

- Hybrid (Other academic calendar)

Part B - Organization - Student Enrollment

4. Does your institution enroll any of the following types of students?

Include all levels offered by your institution, even if there are no students currently enrolled at that level.

Responses to this question determine which screens will be generated for reporting academic year tuition charges, and for reporting Fall Enrollment during the spring collection. Additionally, checking **Yes** for full-time, first-time, degree/certificate-seeking undergraduate students determines that your institution must report cost of attendance data (on the IC component) and Student Financial Aid data for these students.

	<u>Full-time</u>		<u>Part-time</u>	
Students in academic or occupational programs	<input type="radio"/> No	<input type="radio"/> Yes	<input type="radio"/> No	<input type="radio"/> Yes
<u>First-time students</u>	<input type="radio"/> No	<input type="radio"/> Yes	<input type="radio"/> No	<input type="radio"/> Yes

6. For academic year 2010-11, did your institution enroll any full-time, first-time students?

If you answer **Yes** to this question, you will be required to provide Graduation Rates data for the 2010-11 cohort in the winter collection. If you answer **No** to this question, indicate the reason you are not required to report Graduation Rates for the cohort year requested. If you reported any full-time, first-time degree/certificate-seeking students on the 2010-11 Fall Enrollment survey, the data will be preloaded below.

<input type="radio"/> No	
	<input type="checkbox"/> This institution did not enroll full-time, first-time degree/certificate-seeking students.
	<input type="checkbox"/> This institution was not in operation in 2010-11.
<input type="radio"/> Yes	

Full-time, first-time degree/certificate-seeking students from 2010-11 Fall Enrollment survey (GR Cohort)

Part B - Multi-institution or Multi-campus Organization

7. Multi-institution or multi-campus organization

Is the institution part of a multi-institution or multi-campus organization that owns, governs, or controls the institution? Do NOT indicate a religious affiliation here; that information is collected separately.

If you need assistance, contact the Help Desk at 1-877-225-2568. You will not be able to lock your submission if this question is blank.

<input type="radio"/>	No, this institution IS NOT a part of a multi-institution or multi-campus organization that owns, governs, or controls the institution.
<input type="radio"/>	Yes, this institution IS a part of a multi-institution or multi-campus organization that owns, governs, or controls the institution.
	If yes, select the name of the multi-institution or multi-campus organization that owns, governs, or controls the institution after clicking on 'Select System' below.
	Select System
	<input type="text"/>

Part C - Levels of Enrollment Offered

Was your institution in operation during the academic year 2012-13?

*If you answer **Yes** to this question, you will be able to specify the levels of enrollment offered at your institution during 2012-13 and to report 12 month enrollment during the fall collection.*

<input type="radio"/>	No
<input type="radio"/>	Yes. Please specify the levels of enrollment offered during 2012-13.

Purpose of Survey

The primary purpose of the IPEDS Institutional Characteristics Header (IC-H) survey is to collect basic institutional data including control or affiliation, calendar system, and award levels. These data key to accurate reporting as they are used to determine the reporting for other IPEDS surveys. Any errors in the IC-H survey can lead to further errors in the data reporting process, so please be very careful in reporting these data correctly, and contact the IPEDS Help Desk (877.225.2568) if you have any questions.

Changes in reporting

The only change for IC Header is that the multi-institution or multi-campus organization must now be selected from a list of organizations.

General instructions

[Reporting period covered](#)

Institutional Characteristics Header (IC-H) covers data for the current year with two exceptions.

- Cohort data in B6 refer to a past cohort and are used to set the Graduation Rates component (GR).
- For new institutions, the question about prior year operation refers to the prior academic year and is used to determine the applicability of the 12-Month Enrollment (E12) component.

Context Boxes

Context boxes are provided to allow institutions to provide more information regarding survey component items. Note that some context boxes are posted on the [College Navigator Website](#), which is the college search tool offered by NCES. NCES will review entries in these context boxes for applicability and appropriateness before posting them on the [College Navigator Website](#), however, institutions should check grammar and spelling of their entries. Inappropriate or repetitive contexts will be deleted.

Coverage

Carefully read each question in the Institutional Characteristics Header survey to ensure you are reporting data for the appropriate students. The student groups for which data are collected vary throughout the IC-H survey (e.g., undergraduate and graduate). In general, for each group, ensure that the guidelines below are met.

A. Who to include

- Students enrolled in courses **creditable** toward a diploma, certificate, degree, or other formal award, **including** those enrolled in off-campus centers
- High school students taking regular college courses for credit
- Full-time students taking remedial courses **IF** the student is considered degree-seeking for the purpose of student financial aid determination
- Students from overseas enrolled in U.S. courses for credit (e.g., online students)
- Graduate students enrolled for thesis credits, even when zero credits are awarded, as these students are still enrolled and seeking their degree

B. Who NOT to include

- Students enrolled exclusively in courses **not creditable** toward a formal award
- Students enrolled exclusively in courses **not creditable** toward a formal award
- Students enrolled exclusively in Continuing Education Units (CEUs)
- Students exclusively auditing classes
- Residents or interns in Doctor's - professional practice (previously first-professional), since they have already received their Doctor's degree
- Any student studying abroad (e.g., at a foreign university) if their enrollment at the 'home' institution is **only** an administrative record and the fee is nominal
- Students in any branch campus located in a foreign country

Reporting Directions

Part A - Educational Offerings

Responses on this screen verify inclusion of the institution on the NCES/IPEDS list of institutions and agencies that provide all types of postsecondary education. Postsecondary education is defined as the provision of a formal instructional program whose curriculum is designed primarily for students beyond the compulsory age for high school. This includes programs whose purpose is occupational, academic, or continuing professional education but excludes avocational and adult basic education programs.

If you select only avocational and/or adult basic education programs, you will be contacted by IPEDS to confirm your exemption from IPEDS reporting.

Part B - Multi-institution or Multi-campus Organization

If applicable, select from the provided list the multi-institution or multi-campus organization that owns, governs, or controls the institution. If you do not see your multi-institution or multi- organization listed, please contact the Help Desk.

A multi-institution or multi-campus organization includes organizations with two or more institutions or campuses.

Non-postsecondary education agencies that govern or control institutions include, but are not limited to, public school districts, art organizations, hospitals and other medical/health organizations.

Do not include:

- coordinating systems
- single institution owner
- single institution corporate name
- single institution governing board
- consortia
- associations
- religious affiliation (requested in control question)

Part B – Organization

Institutional Control or Affiliation

Indicate the appropriate control or affiliation under which the institution operates. If the institution has a religious affiliation, select the denomination from the list provided in the drop-down box. Public institutions must designate a primary control; identification of a secondary control is optional. If control of the institution differs from the prior year or requires a change, please contact the IPEDS Help Desk at 877.225.2568.

Correct reporting of control or affiliation is KEY to IPEDS reporting. Errors in reporting control or affiliation cause you to receive incorrect survey forms, misrepresents your institution to the public on College Navigator and other search tools that use IPEDS data, and places your institution in incorrect groups in IPEDS publications and on the College Affordability and Transparency Lists. If you do not know the control or affiliation of your institution, please call the Help Desk.

Award Levels

Check applicable award levels for all credit programs offered at the institution. Award levels are identified based on duration and/or awards.

- Report using the number of CONTACT or CREDIT hours, as is appropriate to your calendar system (e.g., semester or quarter).
 - References to length of study are the equivalent of full-time academic years; that is, at least 1 but less than 2 years refers to the number of credits or the course load that would normally be completed by a full-time student attending within the stated time period.
 - One academic year equals 900 contact or clock hours of instruction, 30 semester credit hours or its equivalent, or 45 quarter credit hours.
- Award levels 1, 2, and 4 differ by length of programs and refer to completions below the baccalaureate degree. Use the IPEDS designations, not institutionally defined designations, to describe these levels.
- Award levels 3, 5, 7, 17, 18 and 19 indicate degree levels for which the institution is authorized to make formal awards.
- Award levels 6 and 8 indicate certificate levels.
- If you cannot classify an award within the award levels indicated on the screen, check award level 12 (Other) and specify or describe the award in the context box. Because there are few programs that fall under 'Other' please contact the Help Desk if you are considering selecting Level 12.

Calendar System

Indicate the **predominant** calendar system under which the institution operates. If programs are offered on more than one calendar, select the system under which most programs are offered. If there is no predominant calendar system at your institution, select the option that best characterizes your institution.

If your calendar system differs from the prior year or requires a change, please contact the IPEDS Help Desk at 877.225.2568.

Note: Calendar system selection determines reporting in many other IPEDS components. Be sure to choose the calendar system you select accurately represents your institution. Contact the IPEDS Help Desk if you are not sure which calendar system to select.

- **Standard academic terms** (semesters, quarters, trimesters, 4-1-4)
 - Use a **fall cohort** for Graduation Rates.
 - Report tuition and fees and cost information based on a **full academic year**.
 - Report Fall Enrollment using **students enrolled as of October 15, or the official fall reporting date used by the institution**. This fall enrollment cohort will be preloaded into the next year's Student Financial Aid component.
 - For Student Financial Aid, report aid for an **academic year**.
- **Program-by-program or continuous enrollment basis**
 - Use a **full-year cohort** for Graduation Rates.
 - Report tuition and fees and books and supplies information by program for the **entire length of the program**. For living expenses, report costs for **4 weeks (1 month)**. Note: Living expenses are only applicable to institutions with full-time, first-time students and are reported with the largest program.
 - Report Fall Enrollment using **students enrolled in the institution at any time between August 1 and October 31**.
 - For Student Financial Aid, report aid for the **largest program for an academic year**.
- **Hybrid academic calendar** (If you are considering selecting the 'Other academic calendar' option, please contact the Help Desk at 877.225.2568 so they can confirm the appropriateness of this calendar system for your institution.)
 - Use a **full-year cohort** for Graduation Rates.
 - Report Fall Enrollment using **students enrolled in the institution at any time between August 1 and October 31**.
 - Report tuition and fees and cost information based on a **full academic year**.
 - For Student Financial Aid, report aid for an **academic year**.

Student enrollment

Enrollment of full- and part-time students.

Indicate whether your institution enrolls any full-time or part-time students at the levels listed. Include all levels offered, even if there are not any students currently enrolled at that level.

Responses to those categories will determine the screens generated for reporting academic year tuition charges in the Institutional Characteristics survey during the Fall collection and enrollment data in the Fall Enrollment survey during the Spring collection.

- Make sure to check Yes for full-time, first-time degree/certificate-seeking students if applicable, as this determines that your institution will report cost information on Institutional Characteristics screens in Part D and Student Financial Aid information during the Winter collection.

Doctor's - professional practice

Indicate whether your institution offers any of the listed Doctor's - professional practice programs. If your institution offers Doctor's -professional practice programs but does not offer any of the listed programs, indicate no.

GRS cohort question.

- **4-year institutions.** Indicate if your institution had any full-time, first-time undergraduate students enrolled in programs at the baccalaureate level or below in the academic year indicated on the screen. If you indicate Yes, you must report Graduation Rates data in the Winter.
- **Less-than-4-year institutions.** Indicate if your institution had any full-time, first-time degree/certificate-seeking students enrolled in the academic year indicated on the screen. If you check Yes, you must report Graduation Rates data in the Winter.

Part C - Operation

New institutions should indicate whether their institution was in operation during the prior academic year. If the response is 'Yes', they should also indicate the levels that were offered.

Part D - Branch campus

For branch campuses, refer to the instructions on the appropriate screen.

Click one of the following questions to view the answer.

General

- 1) If my institution offers an award level but currently does not have any students enrolled at that level how should I report?
- 2) Can I change my Institutional Characteristics Header data during the winter or spring surveys if I made a mistake in the fall?

Answers:

General

- 1) If my institution offers an award level but currently does not have any students enrolled at that level how should I report?

You should indicate all levels of awards that your institution is authorized to grant.

- 2) Can I change my Institutional Characteristics Header data during the winter or spring surveys if I made a mistake in the fall?

It is important to report IC Header data correctly the first time, as changes to this component affect all of the other surveys. If you made an error that impacts your ability to respond appropriately to other components, call the Help Desk at 877-225-2568, and they will change the necessary data. For example, if you indicated that you do not enroll any full-time, first-time students (thus no GRS or SFA surveys are generated), you may correct your answer so that you can complete this survey.

Part B: Organization

Control and Levels

On this screen, you must provide information about your institution's control or affiliation and any award levels offered by your institution.

Control or Affiliation

First, you must indicate the appropriate control or affiliation under which your institution operates.

If you have indicated that your institution offers an award level that was not reported in previous years, you will be asked to *confirm* this new award level.

Calendar System

On this screen, you must report the predominant calendar system at the institution. Your response to this question will determine how your institution is expected to report data in the Institutional Characteristics, Graduation Rates, and Student Financial Aid components.

Note: For existing institutions, this information is preloaded by the system. If your institution's preloaded answer differs from the prior year or requires a change, then contact the IPEDS Help Desk for further assistance.

Choose one of the following options:

Academic Year Reporting Method (Standard academic terms)

Program Reporting Method (Other calendar system)

- Differs by programs
- Continuous basis (every 2 weeks, monthly, or other period)

Note: Selecting one of these options determines that your institution will be required to provide Graduation Rates data based on a FULL YEAR COHORT and student charges data by PROGRAM.

- Hybrid (Other academic calendar)

Note: Selecting this option determines that your institution will be required to provide Graduation Rates data based on a FULL YEAR COHORT and student charges data for a FULL ACADEMIC YEAR.

Student Enrollment

On this screen, you must provide information about your institution's enrollment.

Enrollment Types**Applicable to Public institutions**

This section asks about the types of students enrolled at your institution. All levels of enrollment offered by your institution must be reported, even if there are no students currently enrolled at that level. Your responses here will determine which screens will be generated for reporting academic year tuition charges in the Institutional Characteristics component, and for reporting Fall Enrollment data during the spring collection. Additionally, your response to the **Full-time First-time, degree/certificate-seeking undergraduate students** question determines how your institution is expected to report data in the Institutional Characteristics and Student Financial Aid components.

Note: For existing institutions, this information is preloaded by the system.

You must indicate whether your institution offers each of the specified levels of enrollment.

- Undergraduate (academic or occupational programs)
 - Full-time - Choose **Yes** or **No**
 - Part-time - Choose **Yes** or **No**
- First-time, degree/certificate-seeking undergraduate
 - Full-time - Choose **Yes** or **No**
 - Part-time - Choose **Yes** or **No**
- Graduate (not including doctor's professional)
 - Full-time - Choose **Yes** or **No**
 - Part-time - Choose **Yes** or **No**

The system will perform the following edits on the data entered:

- Either **Yes** or **No** must be selected for each student type.
- You must choose **Yes** for at least one of the available student types.

- For each level of student enrollment, if you reported students at that level on the prior year Fall Enrollment survey, then you are expected to indicate that your institution enrolls students at that level on this screen. For institutions with greater than 5 students reported at that level in the prior year Fall Enrollment survey, this error is *fatal*.
- For each level of student enrollment, if you did not report students at that level on the prior year Fall Enrollment survey, then you are not expected to indicate that your institution enrolls students at that level on this screen.
- If you indicate that your institution enrolls **Full-time Undergraduate** students, then you must select at least one Award Level at or below the baccalaureate level on the **Control and Levels** screen.
- If you indicate that your institution does not enroll **Full-time Undergraduate** students, then you should not select any Award levels at or below the baccalaureate level on the **Control and Levels** screen.
- Your institution is expected to enroll **Full-time** and/or **Part-time First-time, degree/certificate-seeking undergraduate** students.
- If you indicate that your institution enrolls **Full-time First-time, degree/certificate-seeking undergraduate** students, then you must also report that your institution enrolls **Full-time Undergraduate** students.
- If you indicate that your institution enrolls **Part-time First-time, degree/certificate-seeking undergraduate** students, then you must also report that your institution enrolls **Part-time Undergraduate** students.
- If you indicate that your institution enrolls **Graduate** students, then you must select at least one Award Level above the baccalaureate level on the **Control and Levels** screen.
- If you indicate that your institution does not enroll **Graduate** students, then you should not select any Award Levels above the baccalaureate level on the **Control and Levels** screen.

Enrollment Types

Applicable to Private institutions

This section asks about the types of students enrolled at your institution. All levels of enrollment offered by your institution must be reported, even if there are no students currently enrolled at that level. Your responses here will determine which screens will be generated for reporting academic year tuition charges in the Institutional Characteristics component, and for reporting Fall Enrollment data during the spring collection. Additionally, your response to the **Full-time, First-time students** question determines how your institution is expected to report data in the Institutional Characteristics and Student Financial Aid components.

Note: For existing institutions, this information is preloaded by the system.

You must indicate whether your institution offers each of the specified levels of enrollment.

- Students in academic or occupational programs

- Either **Yes** or **No** must be selected for each student type.
- You must choose **Yes** for at least one of the available student types.
- For each level of student enrollment, if you reported students at that level on the prior year Fall Enrollment survey, then you are expected to indicate that your institution enrolls students at that level on this screen. For institutions with greater than 5 students reported at that level in the prior year Fall Enrollment survey, this error is *fatal*.
- For each level of student enrollment, if you did not report students at that level on the prior year Fall Enrollment survey, then you are not expected to indicate that your institution enrolls students at that level on this screen.
- If you indicate that your institution enrolls **Full-time Students in academic or occupational programs**, then you must select at least one Award Level at or below the baccalaureate level on the **Control and Levels** screen.
- If you indicate that your institution does not enroll **Full-time Students in academic or occupational programs**, then you should not select any Award levels at or below the baccalaureate level on the **Control and Levels** screen.
- Your institution is expected to enroll **Full-time** and/or **Part-time First-time, degree/certificate-seeking undergraduate** students.
- If you indicate that your institution enrolls **Full-time First-time students**, then you must also report that your institution enrolls **Full-time Students in academic or occupational programs**.
- If you indicate that your institution enrolls **Part-time First-time students**, then you must also report that your institution enrolls **Part-time Students in academic or occupational programs**.

GR Cohort Question

Additionally, you must answer the following question. The number of full-time, first-time degree/certificate-seeking undergraduates reported in the 2010-11 Fall Enrollment survey (**GR Cohort**) will be preloaded by the system for your reference.

- For academic year 2010-11, did your institution have any full-time, first-time degree/certificate-seeking students enrolled in programs at the baccalaureate level or below?
 - **Yes** (If this option is selected, then you will be required to provide Graduation Rates data for the 2010-11 cohort in the winter collection.)
 - **No** (If this option is selected, then you must choose one of the following options.)
 - This institution did not enroll full-time, first-time (undergraduate) students.
 - This institution did not offer programs at or below the baccalaureate level.
 - This institution was not in operation in 2010-11.

The system will perform the following edits on the data entered:

- If you indicated that your institution enrolls **Full-time First-time, degree/certificate-seeking undergraduate** students in the 'Enrollment Types' question, then you must select **Yes** in response to this question.
- If you selected **Yes** in response to this question, then you are expected to indicate that you offer award levels at or below the baccalaureate level on the **Control and Levels** screen.
- If the preloaded **GR Cohort** from the Fall Enrollment survey is greater than 0, then you are expected to select **Yes** in response to this question.
- If the preloaded **GR Cohort** from the Fall Enrollment survey is 0 or blank, then you are expected to select **No** in response to this question.

System

On this screen, you must indicate whether your institution is part of a multi-institution or multi-campus organization that owns, governs, or controls the institution.
