### Part I – REVENUE

#### Section A – FROM LOCAL SOURCES

Lines 2 through 5 will be applicable to only a relatively small number of districts. Taxes reported here should be those which do not have an impact on state aid formulas and state property tax relief payments should be excluded here and reported instead in section B. Include current and delinquent tax revenues and penalties.

Line 6. Independent school districts should report their tax receipts and any other amounts appropriated by their parent government on line 6 (Census code 700).

Line 7. Report taxes for education levied by separate county and city governments and transferred to the school system. Gross district activity receipts for those funds under control of the custodian of district funds should be included on line 13. Revenues from other sales and services, including community service centers, such as those operated by students, should be entered on line 14.
