

# Improving Education Data Part 1 – Creating a Foundation

The Online Forum Curriculum for Improving Education Data was developed by the National Forum on Education Statistics (the Forum). The Forum is an entity of the the National Cooperative Education Statistics System, which was established by the National Center for Education Statistics (NCES).  
Publications of the Forum do not undergo the same formal review required for products of NCES. The information and opinions published here are those of the National Forum on Education Statistics and do not necessarily represent the policy or views of the U.S. Department of Education or the National Center for Education Statistics.

# Credits

Developed with funds from the National Forum on Education Statistics of the National Center for Education Statistics, United States Department of Education, Washington, D.C., and in cooperation with the Central Susquehanna Intermediate Unit, the Council of Chief State School Officers, and the Schools Interoperability Framework Association

Improving Education Data: Part 1 - Creating a Foundation

---

---

---

---

---

---

---

---

# Lesson 3

Data collected by schools

Student & Teacher Schedules

Extracurricular activity enrollments

Teacher professional development histories

Grades and GPAs

Student and teacher attendance

Improving Education Data: Part 1 - Creating a Foundation

---

---

---

---

---

---

---

---

## Lesson 3

- Lesson 1 - What is a Culture of Quality Data?
- Lesson 2 - Assessing Your Local Education Agency's Data Quality
- Lesson 3 - Classifying Education Data
- Lesson 4 - Security and Confidentiality

Improving Education Data: Part 1 - Creating a Foundation

---

---

---

---

---

---

---

---

## Objectives

- Describe one way to classify school data
- Identify data elements most useful for improving instruction and student achievement
- Read and analyze basic data outputs

---

---

---

---

---

---

---

---

## Basic Vocabulary

Demographic Data

- People, students or staff, tracked by an LEA
