Improving Education Data Part 2 – Coordinating Quality Data

The Online Curriculum for Improving Education Data is developed by the National Forum on Education Statistics (the Forum), an entity of the National Cooperative Education Statistics System, which was established by the National Center for Education Statistics (NCES). Publications of the Forum do not undergo the same formal review process as products of NCES. The information and opinions published here are those of the Forum and do not necessarily represent the policy or views of the U.S. Department of Education, or the National Center for Education Statistics.

Designing a Data Calendar

Planning the Data Calendar

Factors to Account for

- Federal, state, local report deadlines
- Lead time to generate reports
- Time frames for academic decisions
- Staff involved in entering, correcting data
- Other LEA events
Harvesting Information

Getting Started
