Outreach Toolkit

Reaching Out to Disseminate Forum Work

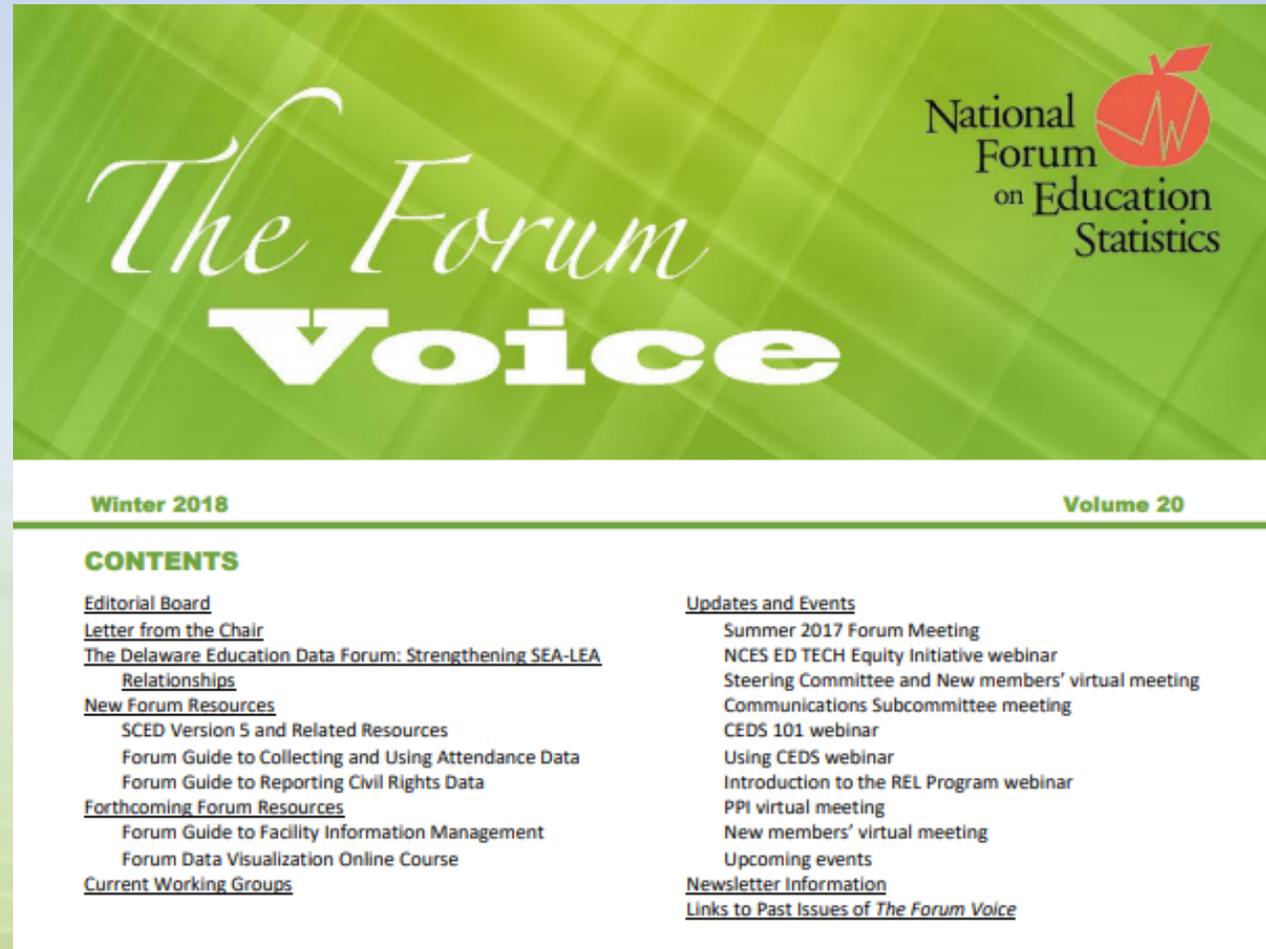

As education leaders, Forum members often attend statewide or districtwide conferences and meetings. These gatherings provide excellent opportunities to inform colleagues about the Forum and Forum products. This Forum Outreach Site is intended to provide resources to assist members when making presentations and conducting other outreach activities.

One-Page Overview of Recent Forum Publications

The [Forum Publication Overview](#)  (1.4 MB) contains abstracts of recent Forum publications along with URLs for locating them on the Forum website. When introducing Forum publications, a member may wish to distribute the Forum Publication Overview to demonstrate the wide range of Forum activities and resources. It may also be useful to refer the group to the Forum website.

Forum Dissemination

The cover of 'The Forum Voice' journal features a green background with a white grid pattern. The title 'The Forum Voice' is written in a large, white, serif font. In the top right corner, the logo for the National Forum on Education Statistics is displayed, consisting of a red apple with a white line graph inside it. Below the title, the issue information 'Winter 2018' and 'Volume 20' is provided. The 'CONTENTS' section is divided into two columns, listing various articles and resources.

How do you use Forum resources?

Take 10 minutes with your tablemates to discuss the following:

- *Which Forum guides have you found helpful for your agency's work?*
- *How have you used Forum products to enhance your agency's data practices?*
- *What topics have not yet been addressed in Forum guides, but would be helpful for Forum members?*
