Forum Meeting 2019
G3-Generate
Wed., July 24, 8:30 – 9:00 am in Regency D

July 24, 2019
Workgroup Purpose

The Generate Governance Group’s (G3) purpose is to serve as the SEA stakeholder advisory group to support and inform the evolution of Generate.

The group’s goals are to:

• Establish a collaborative network of Generate users and interested states
• Inform the priorities for future enhancements to Generate
• Contribute towards the long-term vision for the role of Generate
• Contribute towards the development of a sustainability model for Generate
Join the G3 Interest Group – be a part of the collaborative network.

Log into the GRADS360 website: [https://slds.grads360.org](https://slds.grads360.org)*

- Go to the G3 Community of Practice: [https://slds.grads360.org/#communities/system-design/workgroups/generate-governance-group](https://slds.grads360.org/#communities/system-design/workgroups/generate-governance-group)

Click on the *Request Membership* button

You will receive an email confirmation once your membership is confirmed.

- If you do not have a GRADS360 account, click on the *Request Access* link in the upper right hand corner of the home page.
- Contact Travis Peterson @travis.peterson@aemcorp.com if you have any questions
