

IC Header for less-than-2-year institutions

Overview

Institutional Characteristics Header Overview

Welcome to the Institutional Characteristics Header survey component (IC Header). This survey was introduced to collect data that are key to reporting throughout the IPEDS data collection, and must be completed and locked before any other survey can be started.

Some IC Header questions may require nothing more than a confirmation, if nothing has changed. Please make changes as necessary, and complete items that do need a response (enrollment questions).

Remember, it is the responsibility of the keyholder to provide NCES with accurate data about the institution. Please never hesitate to call the IPEDS Help Desk at 1-877-225-2568 and ask for help to make sure that you are reporting correctly!

Changes to This Year's IC Header Component:

- A new screening question regarding access to library collections has been added for degree-granting institutions only.

Because of the importance of the IC Header data in determining the screens you will receive in other surveys, be sure to report correctly, and to contact the IPEDS Help Desk if you have **ANY** questions about what you need to report.

The IC Header data affect other survey components in the following ways:

- The Educational Offerings question verifies your institution's inclusion in IPEDS.
- The Control and Levels page is key to all survey components, especially to Finance (F) and Graduation Rates (GR). Additionally, this is important information for students, impacts many federal reports, and is used in placing institutions in appropriate net price groupings.
- Calendar system selection impacts student charges data reported in Institutional Characteristics (IC), Fall Enrollment (EF) data, GR data, and Student Financial Aid (SFA) data related to the net price calculation.
- Enrollment levels impact student charges in IC and enrollment categories in the EF survey component.
- The Open Admission question determines whether the Admissions component will be required in the Winter.
- The Academic Libraries expenses question determines whether the Academic Libraries component will be required in the Spring. This question is asked of degree-granting institutions only.
- The operations question for new institutions determines reporting of 12-month enrollment (E12).

Part A - Educational Offerings

1. Which of the following types of instruction/programs are offered by your institution? [Check one or more]

If your institution does not offer occupational or academic programs, you are not expected to complete this or any other IPEDS survey.

<input type="checkbox"/>	<u>Occupational</u> , may lead to a certificate, degree, or other formal award
<input type="checkbox"/>	<u>Academic</u> , leading to a certificate, degree, or diploma
<input type="checkbox"/>	Recreational or <u>avocational (leisure)</u> programs
<input type="checkbox"/>	<u>Adult basic</u> or remedial instruction or high school equivalency
<input type="checkbox"/>	Secondary (high school)

Part B - Organization - Control and Levels

1. What is your institutional control or affiliation?

Be sure to select the correct control for your institution. Errors on this question have an impact throughout the IPEDS surveys, in federal reporting, in net price groupings, and on your institutions appearance to students. If you reported incorrectly in a previous year, please contact the Help Desk at 877.225.2568 to correct the error.

2. What award levels are offered by your institution? [Check all that apply]

When reporting award levels for sub baccalaureate certificates (levels 1, 2, and 4), **determine program length by the number of credit or contact hours**, NOT the academic year length in parentheses. The academic year length is meant only to provide context.

The 'Other' award level should not be used unless your program truly does not fit any of the other award levels. We expect very few institutions to fit the 'Other' category.

Even though Teacher Preparation certificate programs may require a bachelor's degree for admission, they are considered subbaccalaureate undergraduate programs. Check the applicable award level 1, 2, or 4, depending on the length of the Teacher Preparation program.

Award Level	
1	<input type="checkbox"/> Postsecondary award, certificate, or diploma of (less than one academic year) - less than 900 contact or clock hours, or - less than 30 semester or trimester credit hours, or - less than 45 quarter credit hours
2	<input type="checkbox"/> Postsecondary award, certificate, or diploma of (at least one but less than two academic years) - at least 900 but less than 1800 contact or clock hours, or - at least 30 but less than 60 semester or trimester credit hours, or - at least 45 but less than 90 quarter credit hours
3	<input type="checkbox"/> Associate's degree
4	<input type="checkbox"/> Postsecondary award, certificate, or diploma of (at least two but less than four academic years) - 1800 or more contact or clock hours, or - 60 or more semester or trimester credit hours, or - 90 or more quarter credit hours
12	<input type="checkbox"/> Other (specify in box below)

You may use the space below to provide context for the data you've reported above.

Part B - Organization - Calendar System

Your response to the next question determines how your institution reports Institutional Characteristics student charges data in the fall, Student Financial Aid data in the winter, and Graduation Rates data in the winter. It also impacts the net price calculation in the Student Financial Aid survey.

If the calendar system differs from prior year or requires a change, please contact the Help Desk at 877.225.2568.

3. What is the predominant calendar system at the institution? [Choose one]

Program Reporting Method (Other calendar system)

Selecting one of the following calendar types determines that your institution will provide Student Financial Aid and Graduation Rates data based on a FULL-YEAR COHORT, and student charges data by PROGRAM.

- Differs by program
- Continuous basis (every 2 weeks, monthly, or other period)

Academic Year Reporting Method (Standard academic terms)

Selecting one of the following calendar types determines that your institution will provide Student Financial Aid and Graduation Rates data based on a FALL COHORT and student charges data for a full ACADEMIC YEAR.

- Semester
- Quarter
- Trimester
- 4-1-4 or similar plan

Part B - Organization - Student Enrollment

4. Does your institution enroll any of the following types of students?

Include all levels offered by your institution, even if there are no students currently enrolled at that level.

Responses to this question determine which screens will be generated for reporting academic year tuition charges, and for reporting Fall Enrollment during the spring collection. Additionally, checking **Yes** for full-time, first-time, degree/certificate-seeking undergraduate students determines that your institution must report cost of attendance data (on the IC component) and Student Financial Aid data for these students.

	<u>Full-time</u>		<u>Part-time</u>

<u>First-time students</u>	<input type="radio"/> No	<input type="radio"/> Yes	<input type="radio"/> No	<input type="radio"/> Yes

6. For academic year 2013-14, did your institution enroll any full-time, first-time students?

If you answer **Yes** to this question, you will be required to provide Graduation Rates data for the 2013-14 cohort in the winter collection. If you answer **No** to this question, indicate the reason you are not required to report Graduation Rates for the cohort year requested. If you reported any full-time, first-time degree/certificate-seeking students on the 2013-14 Fall Enrollment survey, the data will be preloaded below.

<input type="radio"/> No	
	<input type="checkbox"/> This institution did not enroll full-time, first-time degree/certificate-seeking students.

Part B - Multi-institution or Multi-campus Organization

7. Multi-institution or multi-campus organization

Is the institution part of a multi-institution or multi-campus organization that owns, governs, or controls the institution? Do NOT indicate a religious affiliation here; that information is collected separately.

If you need assistance, contact the Help Desk at 1-877-225-2568. You will not be able to lock your submission if this question is blank.

No, this institution **IS NOT** a part of a multi-institution or multi-campus organization that owns, governs, or controls the institution.

Yes, this institution **IS** a part of a multi-institution or multi-campus organization that owns, governs, or controls the institution.

If yes, select the name of the multi-institution or multi-campus organization that owns, governs, or controls the institution after clicking on 'Select System' below.

Select System

Part C - Other Survey Screening Questions - Open Admission

2. Does your institution have an open admission policy for all or most entering first-time students?

If the only requirement for admission is a high school diploma or GED/other equivalent, your institution is still considered open admission. Institutions that require only an Ability to Benefit or similar test beyond the diploma/equivalent, and only reject a very small number of students based on the test, are also considered open admission.

 If your institution does not have an open admission policy, you will be required to report Admissions component regarding your admissions procedures and admissions yield.

Yes

 You may use the space below to provide context for the data you've reported above. These context notes will be posted on the College Navigator website, and should be written to be understood by students and parents.

Part C - Other Survey Screening Questions - Levels of Enrollment Offered

Was your institution in operation during the academic year 2015-16?

*If you answer **Yes** to this question, you will be able to specify the levels of enrollment offered at your institution during 2015-16 and to report 12-month enrollment during the fall collection.*

Purpose of Survey

The primary purpose of the IPEDS Institutional Characteristics Header (IC-H) survey is to collect basic institutional data including control or affiliation, calendar system, and award levels. These data are key to accurate reporting as they are used to determine the reporting for other IPEDS surveys. Any errors in the IC-H survey can lead to further errors in the data reporting process, so please be very careful in reporting these data correctly, and contact the IPEDS Help Desk (877.225.2568) if you have any questions.

Changes in reporting

The following changes were implemented for the 2016-17 data collection period:

- Open admission policy question added to "Part C – Other screening questions".

Top ▲

General instructions

Reporting period covered

Institutional Characteristics Header (IC-H) covers data for the current year with two exceptions.

- Cohort data in B6 refer to a past cohort and are used to set the Graduation Rates component (GR).
- For new institutions, the question about prior year operation refers to the prior academic year and is used to determine the applicability of the 12-Month Enrollment (E12) component.

Top ▲

Context Boxes

Context boxes are provided to allow institutions to provide more information regarding survey component items. Note that some context boxes are posted on the [College Navigator Website](#), which is the college search tool offered by NCES. NCES will review entries in these context boxes for applicability and appropriateness before posting them on the [College Navigator Website](#), however, institutions should check grammar and spelling of their entries. Inappropriate or repetitive contexts will be deleted.

Coverage

Carefully read each question in the Institutional Characteristics Header survey to ensure you are reporting data for the appropriate students. The student groups for which data are collected vary throughout the IC-H survey (e.g., undergraduate and graduate). In general, for each group, ensure that the guidelines below are met.

A. Who to include

- Students enrolled in courses **creditable** toward a diploma, certificate, degree, or other formal award, **including** those enrolled in off-campus centers
- High school students taking regular college courses for credit
- Full-time students taking remedial courses **IF** the student is considered degree-seeking for the purpose of student financial aid determination
- Students from overseas enrolled in U.S. courses for credit (e.g., online students)
- Graduate students enrolled for thesis credits, even when zero credits are awarded, as these students are still enrolled and seeking their degree

B. Who NOT to include

- Students enrolled exclusively in courses **not creditable** toward a formal award
- Students enrolled exclusively in Continuing Education Units (CEUs)
- Students exclusively auditing classes
- Residents or interns in Doctor's - professional practice (previously first-professional), since they have already received their Doctor's degree
- Any student studying abroad (e.g., at a foreign university) if their enrollment at the 'home' institution is **only** an administrative record and the fee is nominal
- Students in any branch campus located in a foreign country

Reporting Directions

Part A - Educational Offerings

Responses on this screen verify inclusion of the institution on the NCES/IPEDS list of institutions and agencies that provide all types of postsecondary education. Postsecondary education is defined as the provision of a formal instructional program whose curriculum is designed primarily for students beyond the compulsory age for high school. This includes programs whose purpose is occupational, academic, or continuing professional education but excludes avocational and adult basic education programs.

If you select only avocational and/or adult basic education programs, you will be contacted by IPEDS to confirm your exemption from IPEDS reporting.

Part B – Organization

Institutional Control or Affiliation

Indicate the appropriate control or affiliation under which the institution operates. If the institution has a religious affiliation, select the denomination from the list provided in the drop-down box. Public institutions must designate a primary control; identification of a secondary control is optional. If control of the institution differs from the prior year or requires a change, please contact the IPEDS Help Desk at 877.225.2568.

Correct reporting of control or affiliation is KEY to IPEDS reporting. Errors in reporting control or affiliation cause you to receive incorrect survey forms, misrepresents your institution to the public on College Navigator and other search tools that use IPEDS data, and places your institution in incorrect groups in IPEDS publications and on the College Affordability and Transparency Lists. If you do not know the control or affiliation of your institution, please call the Help Desk.

Award Levels

Check applicable award levels for all credit programs offered at the institution. Award levels are identified based on duration and/or awards.

- Report using the number of CONTACT or CREDIT hours, as is appropriate to your calendar system (e.g., semester or quarter).
 - References to length of study are the equivalent of full-time academic years; that is, at least 1 but less than 2 years refers to the number of credits or the course load that would normally be completed by a full-time student attending within the stated time period.
 - One academic year equals 900 contact or clock hours of instruction, 30 semester credit hours or its equivalent, or 45 quarter credit hours.
- Award levels 1, 2, and 4 differ by length of programs and refer to completions below the baccalaureate degree. Use the IPEDS designations, not institutionally defined designations, to describe these levels.
- Award levels 3, 5, 7, 17, 18 and 19 indicate degree levels for which the institution is authorized to make formal awards.
- Award levels 6 and 8 indicate certificate levels.
- If you cannot classify an award within the award levels indicated on the screen, check award level 12 (Other) and specify or describe the award in the context box. Because there are few programs that fall under 'Other' please contact the Help Desk if you are considering selecting Level 12.

NOTE: Even though Teacher Preparation certificate programs may require a bachelor's degree for admission, they are considered subbaccalaureate undergraduate programs. Check the applicable award level 1, 2, or 4, depending on the length of the Teacher Preparation program.

Calendar System

Indicate the **predominant** calendar system under which the institution operates. If programs are offered on more than one calendar, select the system under which most programs are offered. If there is no predominant calendar system at your institution, select the option that best characterizes your institution.

If your calendar system differs from the prior year or requires a change, please contact the IPEDS Help Desk at 877.225.2568.

Note: Calendar system selection determines reporting in many other IPEDS components. Be sure to choose the calendar system you select accurately represents your institution. Contact the IPEDS Help Desk if you are not sure which calendar system to select.

- **Standard academic terms** (semesters, quarters, trimesters, 4-1-4)

- Use a **fall cohort** for Graduation Rates.
- Report tuition and fees and cost information based on a **full academic year**.
- Report Fall Enrollment using **students enrolled as of October 15, or the official fall reporting date used by the institution**. This fall enrollment cohort will be preloaded into the next year's Student Financial Aid component.
- For Student Financial Aid, report aid for an **academic year**.
- **Program-by-program or continuous enrollment basis**
 - Use a **full-year cohort** for Graduation Rates.
 - Report tuition and fees and books and supplies information by program for the **entire length of the program**. For living expenses, report costs for **4 weeks (1 month)**. Note: Living expenses are only applicable to institutions with full-time, first-time students and are reported with the largest program.
 - Report Fall Enrollment using **students enrolled in the institution at any time between August 1 and October 31**.
 - For Student Financial Aid, report aid for the **largest program for an academic year**.
- **Hybrid academic calendar** (If you are considering selecting the 'Other academic calendar' option, please contact the Help Desk at 877.225.2568 so they can confirm the appropriateness of this calendar system for your institution.)
 - Use a **full-year cohort** for Graduation Rates.
 - Report Fall Enrollment using **students enrolled in the institution at any time between August 1 and October 31**.
 - Report tuition and fees and cost information based on a **full academic year**.
 - For Student Financial Aid, report aid for an **academic year**.

Student enrollment

Enrollment of full- and part-time students.

Indicate whether your institution enrolls any full-time or part-time students at the levels listed. Include all levels offered, even if there are not any students currently enrolled at that level.

Responses to those categories will determine the screens generated for reporting academic year tuition charges in the Institutional Characteristics survey during the Fall collection and enrollment data in the Fall Enrollment survey during the Spring collection.

- Make sure to check Yes for full-time, first-time degree/certificate-seeking students if applicable, as this determines that your institution will report cost information on Institutional Characteristics screens in Part D and Student Financial Aid information during the Winter collection.

Doctor's - professional practice

Indicate whether your institution offers any of the listed Doctor's - professional practice programs. If your institution offers Doctor's -professional practice programs but does not offer any of the listed programs, indicate no.

GRS cohort question.

- **4-year institutions.** Indicate if your institution had any full-time, first-time undergraduate students enrolled in programs at the baccalaureate level or below in the academic year indicated on the screen. If you indicate Yes, you must report Graduation Rates data in the Winter.
- **Less-than-4-year institutions.** Indicate if your institution had any full-time, first-time degree/certificate-seeking students enrolled in the academic year indicated on the screen. If you check Yes, you must report Graduation Rates data in the Winter.

Multi-institution or Multi-campus Organization

If applicable, select from the provided list the multi-institution or multi-campus organization that owns, governs, or controls the institution. If you do not see your multi-institution or multi-organization listed, please contact the Help Desk.

A multi-institution or multi-campus organization includes organizations with two or more institutions or campuses. Non-postsecondary education agencies that govern or control institutions include, but are not limited to, public school districts, art organizations, hospitals and other medical/health organizations.

Do not include:

- coordinating systems
- single institution owner
- single institution corporate name
- single institution governing board
- consortia
- associations
- religious affiliation (requested in control question)

Part C - Other Survey Screening Questions

Open admission policy

Check **Yes** if your institution has an open admission policy.

If your institution requires only a high school diploma/equivalent and/or Ability to Benefit (or similar) test, and few students are not admitted based on the test, your institution is still considered open admission. For example, if you have students take the ATB test and allow 98% of those students to enroll, you are likely open admission. The 2% that were not admitted had unusual circumstances that kept them from being admitted.

Note: IPEDS does not have a set percentage to determine open admission. Please review your institution's admission policy or talk to someone in the admissions office if you are not sure whether your institution is open admission, or contact the IPEDS Help Desk at 877.225.2568.

Level of Enrollment

New institutions should indicate whether their institution was in operation during the prior academic year. If the response is 'Yes', they should also indicate the levels that were offered.

Part D - Branch campus

For branch campuses, refer to the instructions on the appropriate screen.

Term	Definition
4-1-4 (calendar system)	The 4-1-4 calendar usually consists of 4 courses taken for 4 months, 1 course taken for 1 month, and 4 courses taken for 4 months. There may be an additional <u>summer session</u> .
Academic year	The period of time generally extending from September to June; usually equated to 2 <u>semesters</u> or <u>trimesters</u> , 3 <u>quarters</u> , or the period covered by a 4-1-4 calendar system.
Adult basic education	Courses designed primarily for students 16 years of age and older to improve basic skills in reading, writing, and arithmetic. These courses are not intended to be part of a <u>program</u> leading to a high school credential, nor are they part of any academic, occupational, or vocational program at the postsecondary level.
Associate's degree	An award that normally requires at least 2 but less than 4 years of full-time equivalent college work.
Avocational programs	Instructional <u>programs</u> in personal interest and leisure categories whose expressed intent is not to produce postsecondary <u>credits</u> , nor to lead to a formal award or an academic <u>degree</u> , nor result in occupationally specific skills.
Bachelor's degree	An award (baccalaureate or equivalent degree, as determined by the Secretary, U.S. Department of Education) that normally requires at least 4 but not more than 5 years of full-time equivalent college-level work. This includes all bachelor's degrees conferred in a 5-year <u>cooperative (work-study) program</u> . Some examples of this type of degree may include Ed.D., D.M.A., D.B.A., D.Sc., D.A., or D.M, and others, as designated by the awarding institution.
Educational offerings	Educational <u>programs</u> offered by postsecondary institutions that are occupational, academic, or continuing professional that qualify as <u>postsecondary education</u> programs OR recreational or avocational, adult basic, remedial <u>instruction</u> , high school equivalency, or high school programs that are not deemed postsecondary.
Fall cohort	The group of students entering in the fall term established for tracking purposes. For the <u>Graduation Rates</u> component, this includes all students who enter an institution as full-time, first-time <u>degree</u> or <u>certificate-seeking undergraduate</u> students during the fall term of a given year. For the <u>Outcome Measures</u> component, all <u>degree/certificate-seeking undergraduate</u> students who enter an institution during the fall term of a given year must be placed in one of four cohorts: full-time, first-time; part-time, first-time; full-time, non-first-time; and part-time, non-first-time.

Students must be <u>full-time</u> and <u>first-time</u> to be considered in the <u>cohort</u> . - 2) **Can I change my Institutional Characteristics Header data during the winter or spring surveys if I made a mistake in the fall?**
It is important to report IC Header data correctly the first time, as changes to this component affect all of the other surveys. If you made an error that impacts your ability to respond appropriately to other components, call the Help Desk at 877-225-2568, and they will change the necessary data. For example, if you indicated that you do not enroll any full-time, first-time students (thus no GRS or SFA surveys are generated), you may correct your answer so that you can complete this survey.

- 3) **In what award level category should Teachers Preparation certificates be reported?**
Even though Teacher Preparation certificate programs may require a bachelor's degree for admission, they are considered subbaccalaureate undergraduate programs, and students in these programs are undergraduate students.

- 4) **My institution has a system office. Does the system office need to complete an Institutional Characteristics - Header survey?**
Any system or central office that employs 15 or more full-time staff OR has its own budget (and therefore must report IPEDS Finance data) must also complete the Institutional Characteristics - Header survey. The administrative office **must** indicate all types and levels of instruction and programs offered at all of the institutions in its system. This will ensure that each institution in the system is represented.
