Figure E-12. Computer screen showing the TRE Simulation Computer Help topics menu, grade 8: 2003

NOTE: TRE = Technology-Rich Environments.
Figure E-13. Computer screen showing help for the first TRE Simulation Computer Help topic, grade 8: 2003

NOTE: TRE = Technology-Rich Environments.
Figure E-14. Computer screen showing help for the second TRE Simulation Computer Help topic, grade 8: 2003

NOTE: TRE = Technology-Rich Environments.
Figure E-15. Computer screen showing help for the third TRE Simulation Computer Help topic, grade 8: 2003

NOTE: TRE = Technology-Rich Environments.
Figure E-16. Computer screen showing help for the first part of the fourth TRE Simulation Computer Help topic, grade 8: 2003

NOTE: TRE = Technology-Rich Environments.
Figure E-17. Computer screen showing help for the second part of the fourth TRE Simulation Computer Help topic, grade 8: 2003

NOTE: TRE = Technology-Rich Environments.
Figure E-18. TRE Simulation tutorial screen 1 showing the problem to be solved, grade 8: 2003

NOTE: TRE = Technology-Rich Environments.
Figure E-19. TRE Simulation tutorial screen 2 showing the task bar for solving the problem, grade 8: 2003

NOTE: TRE = Technology-Rich Environments.
Figure E-20. TRE Simulation tutorial screen 3 showing the experiment display window, grade 8: 2003

NOTE: TRE = Technology-Rich Environments.
Figure E-21.  TRE Simulation tutorial screen 4 showing the instrument panel to show data, grade 8: 2003

The results of each experiment are shown in the instrument panel.

NOTE: TRE = Technology-Rich Environments.
