NOTE: The NAEP reading scale ranges from 0 to 500. Results presented in this report are based on public school students only. Statistical comparisons are calculated on the basis of unrounded scale scores or percentages. Score gap results for “White,” “Black,” and “Hispanic” presented in this report are based on the 6-category race/ethnicity variable with data available starting in early 1990s. Read more about how to interpret NAEP results from the reading assessment at [Interpret results](https://www.nationsreportcard.gov/interpret_results/). For more information and additional comparisons please visit the [Nation’s Report Card and NAEP Data Explorer](https://www.nationsreportcard.gov).
