<sup>1</sup>Preliminary data for elementary and secondary schools and estimates for colleges and universities.<sup>2</sup>Estimated.

NOTE: Total expenditures for public elementary and secondary schools include current expenditures, interest on school debt, and capital outlay. Data for private elementary and secondary schools are estimated. Total expenditures for colleges and universities include current-fund expenditures and additions to plant value. Excludes expenditures of non-collegiate postsecondary institutions. Data for 1995–96 and later years are for 4-year and 2-year degree-granting institutions that were eligible to participate in Title IV federal

financial aid programs. Some data revised from previously published figures. Detail may not sum to totals due to rounding.
