<sup>1</sup> Data from 1994 "First Follow-up" survey.  
<sup>2</sup> Percent of all persons (including those not in the labor force) who are not working, but looking for work.  
<sup>3</sup> Percent not working and not looking for work.  
<sup>4</sup> Percent of persons in the labor force (excluding those not in the labor force) who are not working, but looking for work.  
<sup>5</sup> Less than 0.05 percent.  
<sup>6</sup> All other professional occupations excluding business, teaching, engineering, and health.  
<sup>7</sup> Salaries for those employed full time in April 1997.  
<sup>8</sup> Respondents reporting salaries less than \$1,000 were excluded, those reporting salaries greater than \$500,000 were reset to \$500,000.

NOTE: Detail may not sum to totals due to rounding.
