NOTE.—Total expenditures for public elementary and secondary schools include current expenditures, interest on school debt, and capital outlay. Data for private elementary and secondary schools are estimated. Total expenditures for colleges and universities include current-fund expenditures and additions to plant value. Excludes expenditures of noncollegiate postsecondary institutions. Higher education data for 1995–96 and later years are for 4-year and 2-year degree-granting institutions that were eligible to partici-

pate in Title IV federal financial aid programs. Some data have been revised from previously published figures. Because of rounding, details may not add to totals.
