Contents

Adult Literacy
19 Trends in Adult Literacy .......................................................................................................................... 51
20 Adult Reading Habits ................................................................................................................................. 52

Social and Cultural Outcomes
21 Youth Neither in School nor Working ..................................................................................................... 53

Economic Outcomes
22 Annual Earnings of Young Adults ........................................................................................................... 54

Section 3—Student Effort and Educational Progress ................................................................................. 56

Student Attitudes and Aspirations
23 Postsecondary Expectations of 12th-Graders ....................................................................................... 60

Student Effort
24 Student Absenteeism ................................................................................................................................. 61

Elementary/Secondary Persistence and Progress
25 Grade Retention .......................................................................................................................................... 62
26 Status Dropout Rates by Race/Ethnicity ................................................................................................. 63
27 High School Sophomores Who Left Without Graduating Within 2 Years ............................................ 64
28 Public High School Graduation Rates by State .................................................................................... 65

Transition to College
29 Immediate Transition to College ............................................................................................................... 66

Completions
30 Degrees Earned by Women ...................................................................................................................... 67
31 Educational Attainment ........................................................................................................................... 68
32 Advanced Degree Completion Among Bachelor's Degree Recipients ................................................ 70

Section 4—Contexts of Elementary and Secondary Education ................................................................. 72

Introduction: Contexts of Elementary and Secondary Education ............................................................. 75

Learning Opportunities
33 Early Literacy Activities ............................................................................................................................. 76
34 Afterschool Activities ............................................................................................................................... 77
35 Student/Teacher Ratios in Public Elementary and Secondary Schools ................................................ 78

School Choice
36 Parental Choice of Schools ....................................................................................................................... 79

Teachers
37 Elementary/Secondary School Teaching Among Recent College Graduates ..................................... 80

School Characteristics and Climate
38 Parents' Attitudes Toward Schools ......................................................................................................... 81
39 School Violence and Safety .................................................................................................................... 82
Contents

Finance
40 Variations in Expenditures per Student .................................................................................................................................................................................. 83
41 Public Elementary and Secondary Expenditures by District Poverty .......................................................................................................................... 84
42 Expenditures in Public Elementary and Secondary Schools by Expenditure Category ............................................................................................................. 85
43 International Comparisons of Expenditures for Education ...................................................................................................................................... 86
44 Changes in Sources of Public School Revenue ......................................................................................................................................................... 88

Section 5—Contexts of Postsecondary Education .......................................................................................................................... 90
Introduction: Contexts of Postsecondary Education .......................................................................................................................... 93

Programs and Courses
45 Degrees and Fields of Study ......................................................................................................................................................................................... 94

Learning Opportunities
46 Instructional Faculty and Staff Who Teach Undergraduates ....................................................................................................................................... 95
47 Distance Education by Postsecondary Faculty ......................................................................................................................................................... 96

Faculty and Staff
48 Faculty Salary, Benefits, and Total Compensation ......................................................................................................................................................... 97

Finance
49 Total and Net Access Price of Attending a Postsecondary Institution ................................................................................................................................. 98
50 Federal Grants and Loans to Undergraduate Students ......................................................................................................................................................... 100

Appendix 1—Supplemental Tables ............................................................................................................................................................................. 102
For a complete list of supplemental tables, see appendix 1.

Appendix 2—Supplemental Notes ............................................................................................................................................................................. 212
Note 1: Commonly Used Variables....................................................................................................................................................................................... 214
Note 2: The Current Population Survey (CPS) ................................................................................................................................................................. 224
Note 3: Other Surveys ........................................................................................................................................................................................................... 230
Note 4: National Assessment of Educational Progress (NAEP) ........................................................................................................................................... 238
Note 5: International Assessments ................................................................................................................................................................................... 240
Note 6: International Standard Classification of Education ........................................................................................................................................... 244
Note 7: Race/Ethnicity and Socioeconomic Status Measures for High School Seniors ........................................................................................................................................ 246
Note 8: Student Disabilities ................................................................................................................................................................................................... 248
Note 9: Classification of Postsecondary Education Institutions ........................................................................................................................................... 250
Note 10: Fields of Study for Postsecondary Degrees ...................................................................................................................................................... 253
Note 11: Finance ........................................................................................................................................................................................................... 254
Note 12: Measures of Student Persistence and Progress ...................................................................................................................................................... 258
## Appendix 3—Standard Error Tables

For a complete list of standard error tables, see appendix 3.

### Glossary

### Bibliography

#### NCES Publications (Complete citation)

#### NCES Publications (Chronologically, by NCES number)

#### Other Publications

#### NCES Surveys

#### Surveys From Other Agencies

### Index

This List of Indicators includes all the indicators that appear on *The Condition of Education* website (http://nces.ed.gov/programs/coe), drawn from the 2000–2006 print volumes. The list is organized first by section and then by subject area. Thus, the indicator numbers and the years in which the indicators were published are not sequential.

### Special Analyses

- Entering Kindergarten: A Portrait of American Children When They Begin School ........................................... 2000
- Students Whose Parents Did Not Go to College: Postsecondary Access, Persistence, and Attainment .............. 2001
- Private Schools: A Brief Portrait ......................................................................................................................... 2002
- Nontraditional Undergraduates ......................................................................................................................... 2002
- Reading—Young Children's Achievement and Classroom Experiences ......................................................... 2003
- Paying for College: Changes Between 1990 and 2000 for Full-Time Dependent Undergraduates ................. 2004
- Mobility in the Teacher Workforce .................................................................................................................. 2005
- U.S. Student and Adult Performance on International Assessments of Educational Achievement ............ 2006

### Section 1—Participation in Education

#### All Ages

- Enrollment Trends by Age ................................................................................................................................. 1–2006

#### Preprimary Education

- Enrollment in Early Childhood Education Programs .......................................................................................... 2–2006

#### Elementary/Secondary Education

- Trends in Full- and Half-Day Kindergarten ....................................................................................................... 3–2004
- Past and Projected Elementary and Secondary Public School Enrollments ...................................................... 3–2006
- Trends in Private School Enrollments .............................................................................................................. 4–2006
- Homeschooled Students .................................................................................................................................. 3–2005
- Racial/Ethnic Distribution of Public School Students ....................................................................................... 5–2006
- Concentration of Enrollment by Race/Ethnicity and Poverty ........................................................................ 6–2006
- Family Characteristics of 5- to 17-Year-Olds .................................................................................................. 2–2003
- Language Minority School-Age Children ......................................................................................................... 7–2006
- Children With Disabilities in Public Schools .................................................................................................. 8–2006

#### Undergraduate Education

- Past and Projected Undergraduate Enrollments ................................................................................................. 9–2006

#### Graduate and Professional Education

- Trends in Graduate/First-Professional Enrollments .......................................................................................... 10–2006

#### Adult Learning

- Participation in Adult Education .......................................................................................................................... 11–2006

### Section 2—Learner Outcomes

#### Early Childhood Outcomes

- Students' Reading and Mathematics Achievement Through 3rd Grade .......................................................... 8–2004
- Children's Skills and Proficiency in Reading and Mathematics Through Grade 3 ................................ ........ 8–2005
List of Indicators on The Condition of Education Website (2000–2006)

Indicator—Year

**Academic Outcomes**

- Reading Performance of Students in Grades 4 and 8 .......................................................... 12–2006
- International Comparisons of Reading Literacy in Grade 4 .................................................. 10–2003
- Writing Performance of Students in Grades 4, 8, and 12 ...................................................... 10–2004
- Mathematics Performance of Students in Grades 4 and 8 .................................................. 13–2006
- International Comparison of 4th- and 8th-Grade Performance in Mathematics .................. 11–2005
- Poverty and Student Mathematics Achievement .................................................................. 15–2006
- Reading and Mathematics Score Trends by Age ................................................................. 16–2006
- Trends in the Achievement Gaps in Reading and Mathematics ........................................... 14–2006
- Student Reading and Mathematics Performance in Public Schools by Urbanicity ............... 14–2005
- International Comparisons of Mathematics Literacy ......................................................... 17–2006
- Science Performance of Students in Grades 4, 8, and 12 .................................................. 18–2006
- International Comparison of 4th- and 8th-Grade Performance in Science ......................... 12–2005
- U.S. History Performance of Students in Grades 4, 8, and 12 ............................................. 14–2003
- Geography Performance of Students in Grades 4, 8, and 12 ............................................. 13–2003

**Adult Literacy**

- Trends in Adult Literacy .................................................................................................... 19–2006
- Trends in Adult Literary Reading Habits ............................................................................ 15–2005
- Adult Reading Habits ....................................................................................................... 20–2006

**Social and Cultural Outcomes**

- Education and Health ...................................................................................................... 12–2004
- Youth Neither in School nor Working ............................................................................... 21–2006

**Economic Outcomes**

- Annual Earnings of Young Adults .................................................................................... 22–2006
- Employment Outcomes of Young Adults by Race/Ethnicity ............................................. 17–2005

**Section 3—Student Effort and Educational Progress**

**Student Attitudes and Aspirations**

- Postsecondary Expectations of 12th-Graders .................................................................. 23–2006

**Student Effort**

- Student Absenteeism ....................................................................................................... 24–2006

**Elementary/Secondary Persistence and Progress**

- Grade Retention ................................................................................................................ 25–2006
- Status Dropout Rates by Race/Ethnicity .......................................................................... 26–2006
- High School Sophomores Who Left Without Graduating Within 2 Years ................. 27–2006
- Public High School Graduation Rates by State ................................................................. 28–2006

**Transition to College**

- Immediate Transition to College ..................................................................................... 29–2006
- International Comparison of Transition to Postsecondary Education ......................... 17–2004
