

ERRATA SHEET
PIAAC 2014 U.S. Prison Sample Public-Use Data File (NCES 2016-337REV)
September 2017

In the original release (November 2016) of PIAAC 2014 U.S. Prison Sample Public-Use Data File (NCES 2016-337), errors were found in the values of two derived index variables. Below outlines these errors. The corrected data are provided in the current release of the PIAAC Public-Use Data files, codebook and background compendium tables, which can be found at:
