School Questionnaire

Grade 4
National Center for Education Statistics
U.S. Department of Education
Potomac Center Plaza (PCP), 550 12th St., SW, 4th floor
Washington, DC 20202
USA

The National Center for Education Statistics (NCES), within the U.S. Department of Education, conducts TIMSS in the United States as authorized by the Education Sciences Reform Act of 2002 (ESEA 2002, 20 U.S.C. §9543). All of the information you provide may be used only for statistical purposes and may not be disclosed, or used, in identifiable form for any other purpose except as required by law (20 U.S.C. §9573 and 6 U.S.C. §151).

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. The valid OMB control number for this voluntary information collection is 1850-0695. The time required to complete this information collection is estimated to average 30 minutes per principal, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. If you have any comments or concerns regarding the accuracy of the time estimate(s), suggestions for improving the form, or questions about the status of your individual submission of this form, write directly to: Trends in International Mathematics and Science Study (TIMSS), National Center for Education Statistics, Potomac Center Plaza (PCP), 550 12th St., SW, 4th floor, Washington, DC 20202.

Exhibit D-1.  TIMSS 2019 Grade 4 School Questionnaire—Continued

**School Questionnaire**

Your school has agreed to participate in TIMSS 2019 (Trends in International Mathematics and Science Study), an educational research project sponsored by the International Association for the Evaluation of Educational Achievement (IEA). TIMSS measures trends in student achievement in mathematics and science and studies differences in national education systems in almost 60 countries in order to help improve teaching and learning worldwide.

This questionnaire is addressed to school principals and department heads who are asked to supply information about their schools. Since your school has been selected as part of a nationwide sample, your responses are very important in helping to describe fourth-grade education in the United States.

It is important that you answer each question carefully so that the information provided reflects the situation in your school as accurately as possible. Some of the questions will require that you look up school records, so you may wish to arrange for the assistance of another staff member to help provide this information.

Since TIMSS is an international study and all countries are using the same questionnaire, you may find that some of the questions seem unusual or are not entirely relevant to you or schools in the United States. Nevertheless, it is important that you do your best to answer all of the questions so comparisons can be made across countries in the study.

It is estimated that you will need about 30 minutes to complete the questionnaire. We appreciate the time and effort this takes and thank you for your cooperation and contribution.

When you have completed the questionnaire, please place it in the accompanying envelope and return it to the TIMSS school coordinator.

NCES is authorized to collect information from the questionnaire under the Education Sciences Reform Act of 2002 (ESRA 2002, 20 U.S.C. §9543). You do not have to provide the information requested. However, the information you provide will help the U.S. Department of Education’s ongoing efforts to understand better how the educational system in the United States compares to that in other countries. There are no penalties should you choose not to participate in this study. All of the information you provide may be used only for statistical purposes and may not be disclosed, or used, in identifiable form for any other purpose except as required by law (20 U.S.C. §9573 and 6 U.S.C. §151). Your responses will be combined with those from other participants to produce summary statistics and reports.

This survey is estimated to take an average of 30 minutes, including time for reviewing instructions, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing burden to: Trends in International Mathematics and Science Study (TIMSS), National Center for Education Statistics, Potomac Center Plaza (PCP), 550 12th St., SW, 4th floor, Washington, DC 20202.

Thank you.

**School Enrollment and Characteristics**

1. What is the total enrollment of students in your school as of April 1, 2019?
   
   ____ students
   Write in the number.

2. What is the total enrollment of fourth-grade students in your school as of April 1, 2019?
   
   ____ students
   Write in the number.

3. Approximately what percentage of students in your school have the following backgrounds?
   
<table>
<thead>
<tr>
<th>Fill in only one circle for each row.</th>
</tr>
</thead>
<tbody>
<tr>
<td>0 to 10%</td>
</tr>
<tr>
<td>11 to 25%</td>
</tr>
<tr>
<td>26 to 50%</td>
</tr>
<tr>
<td>More than 50%</td>
</tr>
</tbody>
</table>

   a) Come from economically disadvantaged homes
   ____
   ____
   ____
   ____

   b) Come from economically affluent homes
   ____
   ____
   ____
   ____

4. Around the 1st of October 2018, what percentage of students at this school were eligible to receive free or reduced-price lunches through the National School Lunch Program?
   
   ____ percentage of students
   Write in the number.

5. Approximately what percentage of students in your school have English as their native language?
   
   Fill in one circle only.
   - More than 90% -- 1
   - 76 to 90% -- 2
   - 51 to 75% -- 3
   - 26 to 50% -- 4
   - 25% or less -- 5

6. Of the students currently enrolled in your school, what percentage has been identified as limited-English proficient (LEP)/English language learners (ELL)?
   
   Fill in one circle only.
   - 0% -- 1
   - 1 - 5% -- 2
   - 6 - 10% -- 3
   - 11 - 25% -- 4
   - 26 - 50% -- 5
   - 51 - 75% -- 6
   - 76 - 90% -- 7
   - Over 90% -- 8

Grade 4 School Questionnaire
7. **What type of school is this?**  
**Fill in one circle only.**

- Regular public school - ①
- A regular public school with a magnet program - ②
- A magnet school or school with a special program emphasis (e.g., Montessori, science/math school, performing arts school, talented/gifted school, foreign language immersion school) - ③
- Special education: a school that primarily serves students with disabilities - ④
- Alternative: a school designed to address the needs of students, typically at risk of educational failure, which cannot be met in regular schools - ⑤
- Vocational - ⑥
- Charter School - ⑦
- Private (independent) - ⑧
- Private (religiously affiliated) - ⑨
- Other - ⑩

8. **A. How many people live in the city, town, or area where your school is located?**  
**Fill in one circle only.**

- More than 500,000 people -- ①
- 100,001 to 500,000 people -- ②
- 50,001 to 100,000 people -- ③
- 30,001 to 50,000 people -- ④
- 15,001 to 30,000 people -- ⑤
- 3,001 to 15,000 people -- ⑥
- 3,000 people or fewer -- ⑦

B. **Which best describes the immediate area in which your school is located?**  
**Fill in one circle only.**

- Urban–Densely populated -- ①
- Suburban–On fringe or outskirts of urban area -- ②
- Medium size city or large town -- ③
- Small town or village -- ④
- Remote rural -- ⑤
### Instructional Time

For the fourth-grade students in your school:

#### A. How many days per year is your school open for instruction?

__________ days  
*Write in the number.*

#### B. What is the total instructional time, excluding breaks, in a typical day?

__________ hours ___________ minutes  
*Write in the number of hours and minutes per day.*

#### C. In one calendar week, how many days is the school open for instruction?

*Fill in one circle only.*

- 6 days -- **1**
- 5 1/2 days -- **2**
- 5 days -- **3**
- 4 1/2 days -- **4**
- 4 days -- **5**
- Other -- **6**
Exhibit D-1. TIMSS 2019 Grade 4 School Questionnaire—Continued

Resources and Technology

11 How many computers (including tablets) does your school have for use by fourth-grade students?

______ computers
Write in the number.

12 A. Does your school have a science laboratory that can be used by fourth-grade students?

Fill in one circle only.
Yes -- ①
No -- ②

If Yes, B. Approximately how many books (print) with different titles does your school library have (exclude magazines and periodicals)?

Fill in one circle only.
2,000 books or fewer --- ①
More than 2,000 books --- ②

13 Does your school use an online learning management system to support learning (e.g., teacher-student communication, management of grades, student access to course materials)?

Fill in one circle only.
Yes -- ①
No -- ②

14 A. Does your school have a school library?

Fill in one circle only.
Yes -- ①
No -- ②

(If No, go to question 15)

15 Does your school have classroom libraries?

Fill in one circle only.
Yes -- ①
No -- ②

16 Does your school provide students access to digital learning resources (e.g., books, videos)?

Fill in one circle only.
Yes -- ①
No -- ②

Teachers in Your School

In your school, are any of the following used to evaluate the practice of fourth-grade teachers?

Fill in only one circle for each row.

a) Observations by the principal or senior staff

b) Observations by inspectors or other persons external to the school

c) Student achievement

d) Teacher peer review

Yes

No

School Readiness

About how many of the students in your school can do the following when they begin the first grade of primary/elementary school?

Fill in only one circle for each row.

Less than 25%

25–50%

51–75%

More than 75%

a) Recognize most of the letters of the alphabet

b) Read some words

c) Read sentences

d) Write letters of the alphabet

e) Write their names

f) Write words other than their names

g) Count up to 100 or higher

h) Recognize written numbers from 1–10

i) Recognize written numbers higher than 10

j) Write numbers from 1–10

k) Do simple addition

l) Do simple subtraction
Principal Experience and Education

23. By the end of this school year, how many years altogether will you have been a principal?
   __________ years
   Please round to the nearest whole number.

24. By the end of this school year, how many years will you have been a principal at this school?
   __________ years
   Please round to the nearest whole number.

25. What is the highest level of formal education you have completed?
   Fill in one circle only.
   - Did not complete Bachelor's degree (4-year college program) --- 1
   - Bachelor's degree (4-year college program) --- 2
   - Master's degree or professional degree (MD, DDS, lawyer, minister) --- 3
   - Doctorate (Ph.D., Ed.D.) --- 4

26. Do you hold the following qualifications or credentials in educational leadership?
   Fill in only one circle for each row.
   - a) Principal Certification
   - b) Master's degree or professional degree (MD, DDS, lawyer, minister)
   - c) Doctorate (Ph.D., Ed.D.)
Thank You

Thank you for the thought, time, and effort you have put into completing this questionnaire.
Teacher Questionnaire

Your school has agreed to participate in TIMSS 2019 (Trends in International Mathematics and Science Study), an educational research project sponsored by the International Association for the Evaluation of Educational Achievement (IEA). TIMSS measures trends in student achievement in mathematics and science and studies differences in national education systems in almost 60 countries in order to help improve teaching and learning worldwide.

This questionnaire is addressed to teachers of fourth-grade students, and seeks information about teachers' academic and professional backgrounds, classroom resources, instructional practices, and attitudes toward teaching. Since your class has been selected as part of a nationwide sample, your responses are very important in helping to describe fourth-grade education in the United States.

Some of the questions in the questionnaire refer to the “TIMSS class” or “this class.” This is the class that is identified on the front of this booklet, and which will be tested as part of TIMSS in your school. If you teach some but not all of the students in the TIMSS class, please think only of the students that you teach when answering these class-specific questions. It is important that you answer each question carefully so that the information that you provide reflects your situation as accurately as possible.

Since TIMSS is an international study and all countries are using the same questionnaire, you may find that some of the questions seem unusual or are not entirely relevant to you or schools in the United States. Nevertheless, it is important that you do your best to answer all of the questions so comparisons can be made across countries in the study.

It is estimated that you will need about 30 minutes to complete the questionnaire. We appreciate the time and effort that this takes and thank you for your cooperation and contribution.

When you have completed the questionnaire, please place it in the accompanying envelope and return it to the TIMSS school coordinator.

NCES is authorized to collect information from this questionnaire under the Education Sciences Reform Act of 2002 (ESRA 2002, 20 U.S.C. §9543). You do not have to provide the information requested. However, the information you provide will help the U.S. Department of Education’s ongoing efforts to understand better how the educational system in the United States compares to that in other countries. There are no penalties should you choose not to participate in this study. All of the information you provide may be used only for statistical purposes and may not be disclosed, or used, in identifiable form for any other purpose except as required by law (20 U.S.C. §9573 and 6 U.S.C. §151). Your responses will be combined with those from other participants to produce summary statistics and reports.

This survey is estimated to take an average of 30 minutes, including time for reviewing instructions, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing burden to: Trends in International Mathematics and Science Study (TIMSS), National Center for Education Statistics, Potomac Center Plaza (PCP), 550 12th St., SW, 4th floor, Washington, DC 20202.

TIMSS 2019

Thank you.
About You

1. What year did you start teaching?

_____________
Please write in a year.

2. At the end of this school year, how many years will you have taught altogether?

_____________ years
Please round to the nearest whole number.

3. Are you female or male?

Fill in one circle only.
Female --- 1
Male --- 2

4. How old are you?

Fill in one circle only.
Under 25 --- 1
25–29 --- 2
30–39 --- 3
40–49 --- 4
50–59 --- 5
60 or more --- 6

5. What is the highest level of formal education you have completed?

Fill in one circle only.
Did not complete high school --- 1
High school graduate --- 2
(If you have not completed more than high school, go to question 7)
Associate’s degree (2-year college program) --- 3
Bachelor’s degree (4-year college program) --- 4
Master’s degree or professional degree (MD, DDS, lawyer, minister) --- 5
Doctorate (Ph.D., Ed.D.) --- 6

6. A. During your college or university education, what was your major or main area(s) of study?

Fill in only one circle for each row.

Yes
No
a) Education—Primary/Elementary
b) Education—Secondary
c) Mathematics
d) Science
e) English
f) Other

B. If your major or main area of study was education, did you have a specialization in any of the following?

Fill in only one circle for each row.

Yes
No
a) Mathematics
b) Science
c) Language/reading
d) Other subject

About Teaching the TIMSS Class

11
A. How many students are in this class?

_____________ students
Write in the number.

B. How many of the students in question 11A are in fourth grade?

_____________ fourth-grade students
Write in the number.

12
How many fourth-grade students experience difficulties understanding spoken English?

_____________ students in this class
Write in the number.

13
How often do you do the following in teaching this class?

Fill in only one circle for each row.

Every or almost every lesson
About half the lessons
Some lessons
Never

a) Relate the lesson to students’ daily lives

b) Ask students to explain their answers

c) Bring interesting materials to class

d) Ask students to complete challenging exercises that require them to go beyond the instruction

e) Encourage classroom discussions among students

f) Link new content to students’ prior knowledge

g) Ask students to decide their own problem solving procedures

h) Encourage students to express their ideas in class
14

In your view, to what extent do the following limit how you teach this class?

Fill in only one circle for each row.

Not at all

<table>

Questions 15 - 16 ask about mathematics instruction for the **fourth-grade** students in the TIMSS class.

### 15
In a typical week, how much time do you spend teaching mathematics to the students in this class?

______ minutes per week

Write in the number of minutes per week. Please convert the number of hours into minutes.

### 16
In teaching mathematics to this class, how often do you ask students to do the following?

**Fill in only one circle for each row.**

<table>
<thead>
<tr>
<th>Activity</th>
<th>Every or almost every lesson</th>
<th>About half the lessons</th>
<th>Some lessons</th>
<th>Never</th>
</tr>
</thead>
<tbody>
<tr>
<td>a) Listen to me explain new mathematics content</td>

Questions 17 - 18 ask about calculator and computer use for teaching mathematics to the fourth-grade students in the TIMSS class.

17 Are the students in this class permitted to use calculators during mathematics lessons?

Fill in one circle only.
- Yes, with unrestricted use --- 1
- Yes, with restricted use --- 2
- No, calculators are not permitted --- 3

18 A. Do the students in this class have computers (including tablets) available to use during their mathematics lessons?

Fill in one circle only.
- Yes --- 1
- No --- 2

If Yes,

B. What access do the students have to computers?

Fill in only one circle for each row.

- Yes
- No

a) Each student has a computer
b) The class has computers that students can share
c) The school has computers that the class can use sometimes

C. How often do you do activities on computers during mathematics lessons to support learning for:

Fill in only one circle for each row.

Every or almost every day
- Once or twice a week
- Once or twice a month
- Never or almost never

a) Whole class
b) Low-performing students
c) High-performing students
d) Students with special needs
Question 19 asks about the topics taught and the content covered in teaching mathematics to the fourth-grade students in the TIMSS class.

19

The following list includes the main topics addressed by the TIMSS mathematics test. Choose the response that best describes when the students in this class have been taught each topic. If a topic was in the curriculum before the fourth grade, please choose “Mostly taught before this year.” If a topic was taught half this year but not yet completed, please choose “Mostly taught this year.” If a topic is not in the curriculum, please choose “Not yet taught or just introduced.”

A. Number
   a) Concepts of whole numbers, including place value and ordering
   1 2 3
   b) Adding, subtracting, multiplying, and dividing with whole numbers
   1 2 3
   c) Concepts of multiples and factors; odd and even numbers
   1 2 3
   d) Number sentences (finding the missing number, representing problem situations with number sentences)
   1 2 3
   e) Number patterns (extending number patterns and finding missing terms)
   1 2 3
   f) Concepts of fractions, including representing, comparing and ordering, adding and subtracting simple fractions
   1 2 3
   g) Concepts of decimals, including place value and ordering, adding and subtracting with decimals
   1 2 3

B. Measurement and Geometry
   a) Solving problems involving length, including measuring and estimating
   1 2 3
   b) Solving problems involving mass, volume, and time
   1 2 3
   c) Finding and estimating perimeter, area, and volume
   1 2 3
   d) Parallel and perpendicular lines
   1 2 3
   e) Comparing and drawing angles
   1 2 3
   f) Elementary properties of common geometric shapes
   1 2 3
   g) Three-dimensional shapes, including relationships with their two-dimensional representations
   1 2 3

C. Data
   a) Reading and interpreting data from tables, pictographs, bar graphs, line graphs, and pie charts
   1 2 3
   b) Organizing and representing data to help answer questions
   1 2 3
   c) Drawing conclusions from data displays
   1 2 3
Exhibit D-2. TIMSS 2019 Grade 4 Teacher Questionnaire—Continued

Mathematics Homework for the TIMSS Class

Question 20 asks about mathematics homework for the fourth-grade students in the TIMSS class.

20. How often do you usually assign mathematics homework to the students in this class?

A. How often do you usually assign mathematics homework to the students in this class?

Fill in one circle only.

I do not assign mathematics homework --- 1 (Go to question 21)
Less than once a week --- 2
1 or 2 times a week --- 3
3 or 4 times a week --- 4
Every day --- 5

B. When you assign mathematics homework to the students in this class, about how many minutes do you usually assign? (Consider the time it would take an average student in your class.)

Fill in one circle only.

15 minutes or less --- 1
16–30 minutes --- 2
31–60 minutes --- 3
More than 60 minutes --- 4

C. How often do you do the following with the mathematics homework assignments for this class?

Fill in only one circle for each row.

Always or almost always

Sometimes

Never or almost never

a) Correct assignments and give feedback to students --- 1 --- 2 --- 3
b) Discuss the homework in class --- 1 --- 2 --- 3
c) Monitor whether or not the homework was completed --- 1 --- 2 --- 3

Mathematics Assessment of the TIMSS Class

Questions 21-22 ask about mathematics assessment for the fourth-grade students in the TIMSS class.

21. How much importance do you place on the following assessment strategies in mathematics?

Fill in only one circle for each row.

A Lot
Some
None

a) Observing students as they work --- 1 --- 2 --- 3
b) Asking students to answer questions during class --- 1 --- 2 --- 3
c) Short, regular written assessments --- 1 --- 2 --- 3
d) Longer tests (e.g., unit tests or exams) --- 1 --- 2 --- 3
e) Long-term projects --- 1 --- 2 --- 3

22. About how often do fourth-grade students in this class take mathematics tests on computers or tablets?

Fill in one circle only.

More than once a month --- 1
Once a month --- 2
Twice a year --- 3
Once a year --- 4
Never --- 5
### Professional Development to Teach Mathematics

**24**

In the past two years, how many hours in total have you spent in formal in-service/professional development (e.g., workshops, seminars) for mathematics?

Fill in one circle only.

- None --- 1
- Less than 6 hours --- 2
- 6–15 hours --- 3
- 16–35 hours --- 4
- More than 35 hours --- 5
Questions 25 - 26 ask about science instruction for the fourth-grade students in the TIMSS class.

25

A. Is science taught mainly as a separate subject (i.e., not integrated with other subjects) to the students in this class?

Fill in one circle only.

Yes --- 1

No --- 2

B. Please estimate the time that you spend on science topics with students in this class.

____ minutes per week

Write in the number of minutes per week.
Please convert the number of hours into minutes.

26

In teaching science to the students in this class, how often do you ask them to do the following?

Fill in only one circle for each row.

Every or almost every lesson

About half the lessons

Some lessons

Never

a) Listen to me explain new science content

b) Observe natural phenomena such as the weather or a plant growing and describe what they see

c) Watch me demonstrate an experiment or investigation

d) Design or plan experiments or investigations

e) Conduct experiments or investigations

f) Present data from experiments or investigations

g) Interpret data from experiments or investigations

h) Use evidence from experiments or investigations to support conclusions

i) Read their textbooks or other resource materials

j) Have students memorize facts and principles

k) Do field work outside the class

l) Work in mixed ability groups

m) Work in same ability groups
**Using Computers for Teaching Science to the TIMSS Class**

**Question 27** asks about computer use for teaching science to the fourth-grade students in the TIMSS class.

27

A. Do the students in this class have computers (including tablets) available to use during their science lessons?

*Fill in one circle only.*

- Yes --- ①
- No --- ②

*(If No, go to question 28)*

If Yes,

B. What access do the students have to computers?

*Fill in only one circle for each row.*

Student Questionnaire

Grade 4

National Center for Education Statistics
U.S. Department of Education
Potomac Center Plaza (PCP), 550 12th St., SW, 4th floor
Washington, DC 20202
USA

The National Center for Education Statistics (NCES), within the U.S. Department of Education, conducts TIMSS in the United States as authorized by the Education Sciences Reform Act of 2002 (ESRA 2002, 20 U.S.C., §9543). All of the information you provide may be used only for statistical purposes and may not be disclosed, or used, in identifiable form for any other purpose except as required by law (20 U.S.C., §9573 and 6 U.S.C. §151).

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. The valid OMB control number for this voluntary information collection is 1850-0695. The time required to complete this information collection is estimated to average 30 minutes per student, including the time to review instructions and complete and review the information collection. If you have any comments or concerns regarding the accuracy of the time estimate(s), suggestions for improving the form, or questions about the status of your individual submission of this form, write directly to: Trends in International Mathematics and Science Study (TIMSS), National Center for Education Statistics, Potomac Center Plaza (PCP), 550 12th St., SW, 4th floor, Washington, DC 20202.

OMB No. 1850-0695, Approval Expires 01/31/2021.

Directions

In this booklet, you will find questions about you and what you think. For each question, you should choose the answer you think is best.

Let us take a few minutes to practice the kinds of questions you will answer in this booklet.

Example 1 is one kind of question you will find in this booklet.

Example 1
Do you go to school?

Fill in one oval only.

Yes -- ⊗
No -- ⊗

Example 2 is another kind of question you will find in this booklet.

Example 2
How often do you do these things?

Fill in only one oval for each row.

Every day or almost every day Once or twice a week Once or twice a month Never or almost never

a) I talk with my friends ...............  ⊗ ⊗ ⊗ ⊗

b) I play sports ..........................  ⊗ ⊗ ⊗ ⊗

c) I ride a skateboard ....................  ⊗ ⊗ ⊗ ⊗
Example 3 is another kind of question you will find in this booklet.

Example 3

What do you think? Tell us how much you agree with these statements.

Fill in only one oval for each row.

<table>
<thead>
<tr>
<th>Agree a lot</th>
<th>Agree a little</th>
<th>Disagree a little</th>
<th>Disagree a lot</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

a) Watching movies is fun .............

b) I like eating ice cream .............

c) I do not like waking up early .......

d) I enjoy doing chores .................

• Read each question carefully, and pick the answer you think is best.

• Fill in the oval next to or under your answer.

• If you decide to change your answer, completely erase your first choice. Then, fill in the oval next to or under your new answer.

• Ask for help if you do not understand something or are not sure how to answer.
About You

1

A. Are you a girl or a boy?

Fill in one oval only.

Girl -- ⃝
Boy -- ⃝

B. Are you Hispanic or Latino?

Fill in one oval only.

Yes, I am Hispanic or Latino -- ⃝
No, I am not Hispanic or Latino -- ⃝

C. Which of the following best describes you?

Fill in ovals for all that apply.

White -- ⃝
Black or African American -- ⃝
Asian -- ⃝
American Indian or Alaska Native -- ⃝
Native Hawaiian or other Pacific Islander -- ⃝
2. When were you born?

*Fill in the ovals next to the month and year you were born.*

<table>
<thead>
<tr>
<th>a) Month</th>
<th>b) Year</th>
</tr>
</thead>
<tbody>
<tr>
<td>January</td>

A. How often do you speak English at home?

Fill in one oval only.

I always speak English at home -- ☐  If Always, please go to question 4

I almost always speak English at home -- ☐

I sometimes speak English and sometimes speak another language at home -- ☐

I never speak English at home -- ☐

If Almost always, Sometimes, Never, please go to question 3B

B. What language do you speak at home (other than English)?

Fill in one oval only.

Spanish -- ☐

Other -- ☐  Please specify ________________________
About how many books are there in your home? (Do not count magazines, newspapers, or your school books.)

*Fill in one oval only.*

- None or very few (0–10 books) -- This shows 10 books
- Enough to fill one shelf (11–25 books) -- This shows 25 books
- Enough to fill one bookcase (26–100 books) -- This shows 100 books
- Enough to fill two bookcases (101–200 books) -- This shows 200 books
- Enough to fill three or more bookcases (more than 200) -- This shows more than 200 books
Do you have any of these things at your home?

*Fill in only one oval for each row.*

<p>| | |</p>

The following question is about your Parent/Guardian A and Parent/Guardian B. If you have only one parent/guardian, answer for Parent/Guardian A. If you have two parents/guardians, choose one for Parent/Guardian A and the other for Parent/Guardian B.

6

Were your parents/guardians born in the United States (“United States” includes the 50 states, its territories, the District of Columbia, and U.S. military bases abroad.)

A. Parent/Guardian A  

*Fill in one oval only.*

- Yes -- Ø
- No -- Ø
- I don’t know -- Ø
- Not applicable -- Ø

B. Parent/Guardian B  

*Fill in one oval only.*

- Yes -- Ø
- No -- Ø
- I don’t know -- Ø
- Not applicable -- Ø

7

Were you born in the United States?

*Fill in one oval only.*

- Yes -- Ø
- No -- Ø
8. The following questions ask about activities you do outside of school. 

Fill in only one oval for each row.

a) Do you play on a sports team outside of school? .................

b) Do you often play a musical instrument outside of school? ....

c) Are you studying something in a class outside of school? ....

d) Do you belong to a club outside of school (like Boy/Girl Scouts, 4-H, or Boys and Girls Club)? ........

9. Are you preparing for or have you participated in a science club, a science fair, or a science competition?

Fill in one oval only.

Yes -- ☐

No -- ☐

10. Have you ever repeated a grade in elementary school?

Fill in one oval only.

Yes -- ☐

No -- ☐
11

A. About how often are you absent from school?

*Fill in one oval only.*

- Once a week -- ⊗
- Once every two weeks -- ⊗
- Once a month -- ⊗
- Once every two months -- ⊗
- Never or almost never -- ⊗

B. How many days were you absent from school in the last month?

*Fill in one oval only.*

- None -- ⊗
- 1 or 2 days -- ⊗
- 3 or 4 days -- ⊗
- 5 to 10 days -- ⊗
- More than 10 days -- ⊗

12

How often do you feel this way when you arrive at school?

TIMSS 2019 Curriculum Questionnaire – Fourth Grade - Grade Structure and Student Flow

G2. A. In your country, what is the stated official policy or regulation on students’ age of entry to primary school (ISCED Level 1)?

Examples: “Children begin school during the calendar year of their 6th birthday”; “Children must be 6 years old by the end of June to begin school the following September.”

B. If the official policy allows some parental discretion or choice, please describe the usual practice.

Example: “Even though the official policy is that students can begin school in the year when they turn 6 years old, children typically begin primary school at age 7 because their parents feel they will benefit from being more mature.”

Source: TIMSS 2019 Grade 4 Curriculum Questionnaire

G3. A. Has the stated official policy changed in the last 10 years?
Check one circle only:
- Yes
- No

If Yes....
B. How did the policy change, and what is the status of implementation?
Exhibit D-4. TIMSS 2019 Grade 4 Curriculum Questionnaire—Continued

G4. What are the ages (or grades) of compulsory education in your country?  
Example: “Ages 6-16 (or Grades 1-9).”
Exhibit D-4. TIMSS 2019 Grade 4 Curriculum Questionnaire—Continued

Source: TIMSS 2019 Grade 4 Curriculum Questionnaire

Exhibit D-4. TIMSS 2019 Grade 4 Curriculum Questionnaire—Continued

Languages of Instruction

G8. A. State the official language(s) and describe the major language subgroups.

B. Describe the languages of instruction for mathematics and science in the fourth and eighth grades. For example, is the instruction in these grades for these subjects presented to the students in their native language or in a second language?
Exhibit D-4. TIMSS 2019 Grade 4 Curriculum Questionnaire—Continued

Source: TIMSS 2019 Grade 4 Curriculum Questionnaire

C. Does your country provide targeted ECED or PPE coverage?

Programs with targeted coverage are only available for certain subgroups (e.g., for children from low-income families, for children where the language spoken at home is different from the national language).

Check one circle for each line:

- ECED programs for children under age 3
- PPE programs for children age 3 or older

Please describe:

C. Are there additional requirements for teachers of mathematics and science in the fourth grade?

Check one circle only.

- Yes
- No

If Yes, what are they?

E. In the last 10 years, has there been a change in the stated official policy about the requirements for being a teacher of students in the fourth grade?

Check one circle only.

- Yes
- No

If Yes, how did the policy change, and what is the status of implementation?

Example: “A master’s degree will be required in 2020; an oral examination has been required since 2016.”
C. If the requirements are different than the fourth grade, what are the current requirements for being a teacher of students in the eighth grade?

Check one circle for each line.

- a) Supervised practicum during the teacher education program.
  - Yes
  - No

  How long is this period?

- b) Passing a qualifying examination (e.g., licensing, certification).
  - Yes
  - No

  Completion of a probationary teaching period.

  How long is this period?

- c) Completion of a mentoring or induction program (e.g., experienced teachers work with novice teachers to provide instructional guidance).

  - Yes
  - No

  Other

Please specify below.

D. If there are additional requirements for teachers of mathematics and science in the eighth grade that are different than in the fourth grade, what are they?

TIMSS 2019 Curriculum Questionnaire – Fourth Grade - Principal Preparation

Principal Preparation

G14. A. What is the main preparation route(s) for principals of schools with fourth grade students?
Example: “In addition to receiving their teaching qualifications, most principals have a degree in educational leadership.”

B. According to the main principal preparation route, what are the current requirements for being a principal of a school with fourth grade students?
Check one circle for each line

a) Teaching experience  
   Yes ☐ No ☐
b) Completion of a specialized school leadership training program (including a school leadership degree program)  
   Yes ☐ No ☐
c) Other Please specify below:

TIMSS 2019 Curriculum Questionnaire – Fourth Grade - Curriculum Specifications

Curriculum Specifications
This mathematics module refers to the national curriculum that was in effect for the fourth grade students assessed in TIMSS 2019—the curriculum that covers mathematics instruction at the fourth grade of primary/elementary school for the majority of students. If you do not have a national curriculum, please summarize for your state or provincial curricula.

M3. Does the curriculum or any other official document prescribe the percentage of total instructional time to be devoted to Mathematics instruction at the fourth grade of primary/elementary school?

Check one circle only:
- Yes
- No

If Yes…
Please specify the percentage:

### Exhibit D-4. TIMSS 2019 Grade 4 Curriculum Questionnaire—Continued

The image shows the TIMSS 2019 Grade 4 Curriculum Questionnaire, focusing on the topics covered in mathematics. The screenshot includes the options for selecting topics that are taught to all or almost all students, only the more able students, or not included in the curriculum through grade 4. The topics listed include:

- Solving problems involving length, including measuring and estimating
- Solving problems involving mass, volume, and time
- Finding and estimating perimeter, area, and volume
- Parallel and perpendicular lines
- Comparing and drawing angles
- Elementary properties of common geometric shapes
- Three-dimensional shapes, including relationships with their two-dimensional representations

Users are prompted to check the corresponding grade(s) for each topic and to provide comments if necessary.

### Fourth Grade Science Topics Covered

This science module refers to the national curriculum that was in effect for the fourth grade students assessed in TIMSS 2019—the curriculum that covers science instruction at the fourth grade of primary/elementary school for the majority of students. If you do not have a national curriculum, please summarize for your state or provincial curricula.

57. (i) According to the national science curriculum, what proportion of grade 4 students should have been taught each of the following topics or skills by the end of grade 4?

- (ii) Across grades from preprimary through upper secondary education, at what grade(s) are the topics primarily intended to be taught?

If there are not any specifications to this detail, please indicate national expectations to the best of your ability. If part of a topic does not apply (e.g., birds in part A topic (a)), please explain in the comment field.

Exhibit D-4. TIMSS 2019 Grade 4 Curriculum Questionnaire—Continued
The National Center for Education Statistics (NCES), within the U.S. Department of Education, conducts TIMSS in the United States as authorized by the Education Sciences Reform Act of 2002 (ESEA 2002, 20 U.S.C. §9543). All of the information you provide may be used only for statistical purposes and may not be disclosed, or used, in identifiable form for any other purpose except as required by law (20 U.S.C. §9573 and 6 U.S.C. §151).

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. The valid OMB control number for this voluntary information collection is 1850-0695. The time required to complete this information collection is estimated to average 30 minutes per principal, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. If you have any comments or concerns regarding the accuracy of the time estimate(s), suggestions for improving the form, or questions about the status of your individual submission of this form, write directly to: Trends in International Mathematics and Science Study (TIMSS), National Center for Education Statistics, Potomac Center Plaza (PCP), 550 12th St., SW, 4th floor, Washington, DC 20202.

OMB No. 1850-0695, Approval Expires 01/31/2021.

TIMSS & PIRLS
International Study Center
Lynch School of Education
BOSTON COLLEGE
School Questionnaire

Your school has agreed to participate in TIMSS 2019 (Trends in International Mathematics and Science Study), an educational research project sponsored by the International Association for the Evaluation of Educational Achievement (IEA). TIMSS measures trends in student achievement in mathematics and science and studies differences in national education systems in almost 60 countries in order to help improve teaching and learning worldwide.

This questionnaire is addressed to school principals and department heads who are asked to supply information about their schools. Since your school has been selected as part of a nationwide sample, your responses are very important in helping to describe eighth-grade education in the United States.

It is important that you answer each question carefully so that the information provided reflects the situation in your school as accurately as possible. Some of the questions will require that you look up school records, so you may wish to arrange for the assistance of another staff member to help provide this information.

Since TIMSS is an international study and all countries are using the same questionnaire, you may find that some of the questions seem unusual or are not entirely relevant to you or schools in the United States. Nevertheless, it is important that you do your best to answer all of the questions so comparisons can be made across countries in the study.

It is estimated that you will need about 30 minutes to complete the questionnaire. We appreciate the time and effort this takes and thank you for your cooperation and contribution.

When you have completed the questionnaire, please place it in the accompanying envelope and return it to the TIMSS school coordinator.

NCES is authorized to collect information from this questionnaire under the Education Sciences Reform Act of 2002 (ESRA 2002, 20 U.S.C. §9543). You do not have to provide the information requested. However, the information you provide will help the U.S. Department of Education’s ongoing efforts to understand better how the educational system in the United States compares to that in other countries. There are no penalties should you choose not to participate in this study. All of the information you provide may be used only for statistical purposes and may not be disclosed, or used, in identifiable form for any other purpose except as required by law (20 U.S.C. §9573 and 6 U.S.C. §151). Your responses will be combined with those from other participants to produce summary statistics and reports.

This survey is estimated to take an average of 30 minutes, including time for reviewing instructions, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing burden to: Trends in International Mathematics and Science Study (TIMSS), National Center for Education Statistics, Potomac Center Plaza (PCP), 550 12th St., SW, 4th floor, Washington, DC 20202.

Thank you.
School Enrollment and Characteristics

1. What is the total enrollment of students in your school as of April 1, 2019?
   ___________ students
   Write in the number.

2. What is the total enrollment of eighth-grade students in your school as of April 1, 2019?
   ___________ students
   Write in the number.

3. Approximately what percentage of students in your school have the following backgrounds?
   Fill in only one circle for each row.
   0 to 10% --- 1
   11 to 25% --- 2
   26 to 50% --- 3
   More than 50% --- 4

   a) Come from economically disadvantaged homes
   ___________ --- 1
   ___________ --- 2
   ___________ --- 3
   ___________ --- 4

   b) Come from economically affluent homes
   ___________ --- 1
   ___________ --- 2
   ___________ --- 3
   ___________ --- 4

4. Around the 1st of October 2018, what percentage of students at this school were eligible to receive free or reduced-price lunches through the National School Lunch Program?
   ___________ percentage of students
   Write in the number.

5. Approximately what percentage of students in your school have English as their native language?
   Fill in one circle only.
   More than 90% --- 1
   76 to 90% --- 2
   51 to 75% --- 3
   26 to 50% --- 4
   25% or less --- 5

6. Of the students currently enrolled in your school, what percentage has been identified as limited-English proficient (LEP)/English language learners (ELL)?
   Fill in one circle only.
   0% --- 1
   1 - 5% --- 2
   6 - 10% --- 3
   11 - 25% --- 4
   26 - 50% --- 5
   51 - 75% --- 6
   76 - 90% --- 7
   Over 90% --- 8

Grade 8 School Questionnaire
7

What type of school is this?  Fill in one circle only.

- Regular public school - ①
- A regular public school with a magnet program - ②
- A magnet school or school with a special program emphasis (e.g., Montessori, science/math school, performing arts school, talented/gifted school, foreign language immersion school) - ③
- Special education: a school that primarily serves students with disabilities - ④
- Alternative: a school designed to address the needs of students, typically at risk of educational failure, which cannot be met in regular schools - ⑤
- Vocational - ⑥
- Charter School - ⑦
- Private (independent) - ⑧
- Private (religiously affiliated) - ⑨
- Other - ⑩

8

A. How many people live in the city, town, or area where your school is located?  Fill in one circle only.

- More than 500,000 people --- ①
- 100,001 to 500,000 people --- ②
- 50,001 to 100,000 people --- ③
- 30,001 to 50,000 people --- ④
- 15,001 to 30,000 people --- ⑤
- 3,001 to 15,000 people --- ⑥
- 3,000 people or fewer --- ⑦

B. Which best describes the immediate area in which your school is located?  Fill in one circle only.

- Urban—Densely populated --- ①
- Suburban—On fringe or outskirts of urban area --- ②
- Medium size city or large town --- ③
- Small town or village --- ④
- Remote rural --- ⑤

9

Which best characterizes the average income level of the school’s immediate area?  Fill in one circle only.

- High --- ①
- Medium --- ②
- Low --- ③
For the eighth-grade students in your school:

A. How many days per year is your school open for instruction?

______ days
Write in the number.

B. What is the total instructional time, excluding breaks, in a typical day?

______ hours ________ minutes
Write in the number of hours and minutes per day.

C. In one calendar week, how many days is the school open for instruction?

Fill in one circle only.

6 days --- 1
5 1/2 days --- 2
5 days --- 3
4 1/2 days --- 4
4 days --- 5
Other --- 6

Grade 8 School Questionnaire
School Emphasis on Academic Success

18 How would you characterize each of the following within your school?

Fill in only one circle for each row.

<table>
<thead>
<tr>
<th>How high</th>
<th>High</th>
<th>Medium</th>
<th>Low</th>
<th>Very low</th>
</tr>
</thead>
</table>

a) Teachers’ understanding of the school’s curricular goals

b) Teachers’ degree of success in implementing the school’s curriculum

c) Teachers’ expectations for student achievement

d) Teachers’ ability to inspire students

e) Parental involvement in school activities

f) Parental commitment to ensure that students are ready to learn

g) Parental expectations for student achievement

h) Parental support for student achievement

i) Students’ desire to do well in school

j) Students’ ability to reach school’s academic goals

k) Students’ respect for classmates who excel academically

19 How much do you agree with these statements about mathematics and science education within your school?

Fill in only one circle for each row.

<table>
<thead>
<tr>
<th>Agree a lot</th>
<th>Agree a little</th>
<th>Disagree a little</th>
<th>Disagree a lot</th>
</tr>
</thead>
</table>

a) The school provides students with information about career options in mathematics and science

b) The school has initiatives to promote student interest in mathematics and science (e.g., student clubs, competitions)

c) The school promotes professional development for teachers of mathematics and science

d) The school provides extra lessons to help students excel in mathematics and science

e) The school provides special activities in mathematics and science for interested students

f) The school has a specific goal to improve mathematics and science education

g) The school encourages students to continue studying mathematics and science in the future

h) Mathematics and science teachers in this school spend extra time working with students interested in mathematics and science
School Discipline and Safety

20. To what degree is each of the following a problem among eighth-grade students in your school?

Fill in only one circle for each row.

- Not a problem
- Minor problem
- Moderate problem
- Serious problem

a) Arriving late at school ---------
b) Absenteeism (i.e., unjustified absences) ---------
c) Classroom disturbance ---------
d) Cheating -------------------
e) Profanity -------------------
f) Vandalism ------------------
g) Theft ---------------------
h) Intimidation or verbal abuse among students (including texting, emailing, etc.) ---------
i) Physical injury to other students ---------
j) Intimidation or verbal abuse of teachers or staff (including texting, emailing, etc.) ---------
k) Physical injury to teachers or staff ---------

Teachers In Your School

22. In your school, are any of the following used to evaluate the practice of eighth-grade mathematics teachers?

Fill in only one circle for each row.

- Yes
- No

a) Observations by the principal or senior staff ---------
b) Observations by inspectors or other persons external to the school ---------
c) Student achievement ---------
d) Teacher peer review ---------

23. In your school, are any of the following used to evaluate the practice of eighth-grade science teachers?

Fill in only one circle for each row.

- Yes
- No

a) Observations by the principal or senior staff ---------
b) Observations by inspectors or other persons external to the school ---------
c) Student achievement ---------
d) Teacher peer review ---------
**Principal Experience and Education**

24. By the end of this school year, how many years altogether will you have been a principal?

_____________ years

*Please round to the nearest whole number.*

25. By the end of this school year, how many years will you have been a principal at this school?

_____________ years

*Please round to the nearest whole number.*

26. What is the highest level of formal education you have completed?

*Fill in one circle only.*

- Did not complete Bachelor's degree (4-year college program) --- 1
- Bachelor's degree (4-year college program) --- 2
- Master's degree or professional degree (MD, DDS, lawyer, minister) --- 3
- Doctorate (Ph.D., Ed.D.) --- 4

27. Do you hold the following qualifications or credentials in educational leadership?

*Fill in only one circle for each row.*

- a) Principal Certification .............................. 1  2
- b) Master's degree or professional degree (MD, DDS, lawyer, minister) ..................... 1  2
- c) Doctorate (Ph.D., Ed.D.) ............................. 1  2

The National Center for Education Statistics (NCES), within the U.S. Department of Education, conducts TIMSS in the United States as authorized by the Education Sciences Reform Act of 2002 (ESRA 2002, 20 U.S.C. §9543). All of the information you provide may be used only for statistical purposes and may not be disclosed, or used, in identifiable form for any other purpose except as required by law (20 U.S.C. §9573 and 6 U.S.C. §515).

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. The valid OMB control number for this voluntary information collection is 1850-0695. The time required to complete this information collection is estimated to average 30 minutes per teacher, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. If you have any comments or concerns regarding the accuracy of the time estimate(s), suggestions for improving the form, or questions about the status of your individual submission of this form, write directly to: Trends in International Mathematics and Science Study (TIMSS), National Center for Education Statistics, Potomac Center Plaza (PCP), 550 12th St., SW, 4th floor, Washington, DC 20202.

OMB No. 1850-0095, Approval Expires 01/31/2021.

BOSTON COLLEGE

Exhibit D-6. TIMSS 2019 Grade 8 Math Teacher Questionnaire—Continued

**Teacher Questionnaire**

Your school has agreed to participate in TIMSS 2019 (Trends in International Mathematics and Science Study), an educational research project sponsored by the International Association for the Evaluation of Educational Achievement (IEA). TIMSS measures trends in student achievement in mathematics and science and studies differences in national education systems in almost 60 countries in order to help improve teaching and learning worldwide.

This questionnaire is addressed to teachers of eighth-grade students, and seeks information about teachers’ academic and professional backgrounds, classroom resources, instructional practices, and attitudes toward teaching. Since your class has been selected as part of a nationwide sample, your responses are very important in helping to describe eighth-grade education in the United States.

Some of the questions in the questionnaire refer to the “TIMSS class” or “this class.” This is the class that is identified on the front of this booklet, and which will be tested as part of TIMSS in your school. If you teach some but not all of the students in the TIMSS class, please think only of the students that you teach when answering these class-specific questions. It is important that you answer each question carefully so that the information that you provide reflects your situation as accurately as possible.

Since TIMSS is an international study and all countries are using the same questionnaire, you may find that some of the questions seem unusual or are not entirely relevant to you or schools in the United States. Nevertheless, it is important that you do your best to answer all of the questions so comparisons can be made across countries in the study.

It is estimated that you will need about 30 minutes to complete this questionnaire. We appreciate the time and effort that this takes and thank you for your cooperation and contribution.

When you have completed the questionnaire, please place it in the accompanying envelope and return it to the TIMSS school coordinator.

NCES is authorized to collect information from this questionnaire under the Education Sciences Reform Act of 2002 (ESRA 2002, 20 U.S.C. §9543). You do not have to provide the information requested. However, the information you provide will help the U.S. Department of Education’s ongoing efforts to understand better how the educational system in the United States compares to that in other countries. There are no penalties should you choose not to participate in this study. All of the information you provide may be used only for statistical purposes and may not be disclosed, or used, in identifiable form for any other purpose except as required by law (20 U.S.C. §9573 and 6 U.S.C. §151). Your responses will be combined with those from other participants to produce summary statistics and reports.

This survey is estimated to take an average of 30 minutes, including time for reviewing instructions, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing burden to: Trends in International Mathematics and Science Study (TIMSS), National Center for Education Statistics, Potomac Center Plaza (PCP), 550 12th St., SW, 4th floor, Washington, DC 20202.

Thank you.
About You

1
What year did you start teaching?
Please write in a year.

2
At the end of this school year, how many years will you have taught altogether?
Please round to the nearest whole number.

3
Are you female or male?
Fill in one circle only.
Female --- 1
Male --- 2

4
How old are you?
Fill in one circle only.
Under 25 --- 1
25–29 --- 2
30–39 --- 3
40–49 --- 4
50–59 --- 5
60 or more --- 6

5
What is the highest level of formal education you have completed?
Fill in one circle only.
Did not complete high school --- 1
High school graduate --- 2
(If you have not completed more than high school, go to question 7)
Associate's degree (2-year college program) --- 3
Bachelor's degree (4-year college program) --- 4
Master's degree or professional degree (MD, DDS, lawyer, minister) --- 5
Doctorate (Ph.D., Ed.D.) --- 6

6
During your college or university education, what was your major or main area(s) of study?
Fill in only one circle for each row.

<table>
<thead>
<tr>
<th>Yes</th>
<th>No</th>

School Emphasis on Academic Success

7 How would you characterize each of the following within your school?

Fill in only one circle for each row.

<table>
<thead>
<tr>
<th>Very high</th>
<th>High</th>
<th>Medium</th>
<th>Low</th>
<th>Very low</th>
</tr>
</thead>
</table>

a) Teachers’ understanding of the school’s curricular goals
b) Teachers’ degree of success in implementing the school’s curriculum
c) Teachers’ expectations for student achievement
d) Teachers’ ability to inspire students
e) Parental involvement in school activities
f) Parental commitment to ensure that students are ready to learn
g) Parental expectations for student achievement
h) Parental support for student achievement
i) Students’ desire to do well in school
j) Students’ ability to reach school’s academic goals
k) Students’ respect for classmates who excel academically
l) Collaboration between school leadership (including master teachers) and teachers to plan instruction

School Environment

8 Thinking about your current school, indicate the extent to which you agree or disagree with each of the following statements.

Fill in only one circle for each row.

<table>
<thead>
<tr>
<th>Agree a lot</th>
<th>Agree a little</th>
<th>Disagree a little</th>
<th>Disagree a lot</th>
</tr>
</thead>
</table>

a) This school is located in a safe neighborhood
b) I feel safe at this school
c) This school’s security policies and practices are sufficient
d) The students behave in an orderly manner
e) The students are respectful of the teachers
f) The students respect school property
g) This school has clear rules about student conduct
h) This school’s rules are enforced in a fair and consistent manner
### About Being a Teacher

#### How often do you feel the following way about being a teacher?

*Fill in only one circle for each row.*

<table>
<thead>
<tr>
<th>Very often</th>
<th>Often</th>
<th>Sometimes</th>
<th>Never or almost never</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>2</td>
<td>3</td>
<td>4</td>

**Grade 8 Teacher Questionnaire — Mathematics**

Questions 11-14 ask about instruction for the eighth-grade students in the TIMSS class.

11 How many students are in this class?

_____________ students
Write in the number.

12 How many eighth-grade students experience difficulties understanding spoken English?

_____________ students in this class
Write in the number.

13 How often do you do the following in teaching this class?

Fill in only one circle for each row.

Every or almost every lesson
About half the lessons
Some lessons
Never

a) Relate the lesson to students’ daily lives ---------------------- 1 2 3 4

b) Ask students to explain their answers --------------------- 1 2 3 4

c) Ask students to complete challenging exercises that require them to go beyond the instruction --------------------- 1 2 3 4

d) Encourage classroom discussions among students ------------- 1 2 3 4

e) Link new content to students’ prior knowledge ---- 1 2 3 4

f) Ask students to decide their own problem solving procedures --------------------- 1 2 3 4

g) Encourage students to express their ideas in class ---- 1 2 3 4

14 In your view, to what extent do the following limit how you teach this class?

Fill in only one circle for each row.

Not at all
Some
A lot

a) Students lacking prerequisite knowledge or skills 1 2 3

b) Students suffering from lack of basic nutrition 1 2 3

c) Students suffering from not enough sleep 1 2 3

d) Students absent from class 1 2 3

e) Disruptive students 1 2 3

f) Uninterested students 1 2 3

g) Students with mental, emotional, or psychological impairment 1 2 3

h) Students with difficulties understanding the language of instruction 1 2 3
Questions 15 - 17 ask about mathematics instruction for the eighth-grade students in the TIMSS class.

15

In a typical week, how much time do you spend teaching mathematics to the students in this class?

_____________ minutes per week

Write the number of minutes per week. Please convert the number of hours into minutes.

16

In teaching mathematics to this class, how often do you ask students to do the following?

Fill in only one circle for each row.

Every or almost every lesson

About half the lessons

Some lessons

Never

a) Listen to me explain new mathematics content

b) Listen to me explain how to solve problems

c) Memorize rules, procedures, and facts

d) Practice procedures on their own

e) Apply what they have learned to new problem situations on their own

f) Work problems together in the whole class with direct guidance from me

g) Work in mixed ability groups

h) Work in same ability groups
17 Which best describes the mathematics course you are teaching to the class with the TIMSS students?

Fill in one circle only.

- a) Basic or general eighth-grade math (not algebra or pre-algebra) 1
- b) Pre-algebra or introduction to algebra 2
- c) Two-year pre-algebra 3
- d) Algebra I (one-year course) 4
- e) Algebra I (first year of a two-year Algebra I course) 5
- f) Algebra I (second year of two-year Algebra I course) 6
- g) Geometry 7
- h) Algebra II 8
- i) Integrated or sequential math 9
- j) Other math class 0
Questions 18 - 19 ask about calculator and computer use for teaching mathematics to the eighth-grade students in the TIMSS class.

18. Are the students in this class permitted to use calculators during mathematics lessons?

   Fill in one circle only.
   - Yes, with unrestricted use ---- ①
   - Yes, with restricted use ---- ②
   - No, calculators are not permitted ---- ③

19. A. Do the students in this class have computers (including tablets) available to use during their mathematics lessons?

   Fill in one circle only.
   - Yes --- ①
   - No --- ②

   (If No, go to question 20)

   If Yes,

   B. What access do the students have to computers?

   Fill in only one circle for each row.
   - Yes
   - No

   a) Each student has a computer ------------------- ① ②
   b) The class has computers that students can share ----------------------------------------- ① ②
   c) The school has computers that the class can use sometimes ------------------------------ ① ②

   C. How often do you do activities on computers during mathematics lessons to support learning for:

   Fill in only one circle for each row.
   - Every or almost every day
   - Once or twice a week
   - Once or twice a month
   - Never or almost never

   a) Whole class ------------------- ① ② ③ ④
   b) Low-performing students ----- ① ② ③ ④
   c) High-performing students ---- ① ② ③ ④
   d) Students with special needs --- ① ② ③ ④
Mathematics Topics Taught to the TIMSS Class

Question 20 asks about the topics taught and the content covered in teaching mathematics to the eighth-grade students in the TIMSS class.

The following list includes the main topics addressed by the TIMSS mathematics test. Choose the response that best describes when the students in this class have been taught each topic. If a topic was in the curriculum before the eighth grade, please choose “Mostly taught before this year.” If a topic was taught half this year but not yet completed, please choose “Mostly taught this year.” If a topic is not in the curriculum, please choose “Not yet taught or just introduced.”

Fill in only one circle for each row.

A. Number
a) Computing with negative numbers
b) Concepts of fractions and decimals
c) Solving problems involving proportions and percents

B. Algebra
a) Simplifying and evaluating algebraic expressions
b) Simple linear equations
c) Simple linear inequalities
d) Simultaneous (two variables) equations
e) Representation of linear and quadratic functions in tables, graphs, words, or equations
f) Properties of functions (slopes, intercepts, etc.)
g) Numeric, algebraic, and geometric patterns or sequences (extension, missing terms, generalization of patterns)

C. Geometry
a) Geometric properties of angles, pairs of lines, and geometric shapes (triangles, quadrilaterals, and other common polygons)
b) Solving problems involving perimeters, circumferences, and areas
c) Solving problems involving the Pythagorean Theorem
d) Translation, reflection, and rotation
e) Congruent figures and similar triangles
f) Solving problems with three-dimensional shapes

D. Data and Probability
a) Reading and interpreting data from one or more sources to solve problems (interpolating, extrapolating, drawing conclusions)
b) Identifying appropriate procedures for collecting data
c) Organizing and representing data to help answer questions
d) Calculating and interpreting statistics summarizing data distributions
e) Theoretical and empirical probability of simple events
f) Theoretical and empirical probability of compound events
## Mathematics Homework for the TIMSS Class

**Question 21** asks about mathematics homework for the eighth-grade students in the TIMSS class.

### A. How often do you usually assign mathematics homework to the students in this class?

*Fill in one circle only.*

- I do not assign mathematics homework [ ]
- Less than once a week [ ]
- 1 or 2 times a week [ ]
- 3 or 4 times a week [ ]
- Every day [ ]

(Go to question 22)

### B. When you assign mathematics homework to the students in this class, about how many minutes do you usually assign? (Consider the time it would take an average student in your class.)

*Fill in one circle only.*

- 15 minutes or less [ ]
- 16–30 minutes [ ]
- 31–60 minutes [ ]
- 61–90 minutes [ ]
- More than 90 minutes [ ]

### C. How often do you do the following with the mathematics homework assignments for this class?

*Fill in only one circle for each row.*

- Always or almost always [ ]
- Sometimes [ ]
- Never or almost never [ ]

- a) Correct assignments and give feedback to students [ ]
- b) Have students correct their own homework [ ]
- c) Discuss the homework in class [ ]
- d) Monitor whether or not the homework was completed [ ]
- e) Use the homework to contribute towards students’ grades or marks [ ]

---

## Mathematics Assessment of the TIMSS Class

**Questions 22 - 23** ask about mathematics assessment for the eighth-grade students in the TIMSS class.

### 22 How much importance do you place on the following assessment strategies in mathematics?

*Fill in only one circle for each row.*

- A Lot [ ]
- Some [ ]
- None [ ]

- a) Observing students as they work [ ]
- b) Asking students to answer questions during class [ ]
- c) Short, regular written assessments [ ]
- d) Longer tests (e.g., unit tests or exams) [ ]
- e) Long-term projects [ ]

### 23 About how often do eighth-grade students in this class take mathematics tests on computers or tablets?

*Fill in one circle only.*

- More than once a month [ ]
- Once a month [ ]
- Twice a year [ ]
- Once a year [ ]
- Never [ ]

---

D-140
A. In the past two years, have you participated in professional development in any of the following? Fill in one circle for each row.
- Mathematics content
- Mathematics pedagogy/instruction
- Mathematics curriculum
- Integrating technology into mathematics instruction
- Improving students’ critical thinking or problem solving skills
- Mathematics assessment
- Addressing individual students’ needs

B. Do you need future professional development in any of the following? Fill in one circle for each row.
- Mathematics content
- Mathematics pedagogy/instruction
- Mathematics curriculum
- Integrating technology into mathematics instruction
- Improving students’ critical thinking or problem solving skills
- Mathematics assessment
- Addressing individual students’ needs

25. In the past two years, how many hours in total have you spent in formal in-service/professional development (e.g., workshops, seminars) for mathematics? Fill in one circle only.
- None
- Less than 6 hours
- 6-15 hours
- 16-35 hours
- More than 35 hours
Thank You

Thank you for the thought, time, and effort you have put into completing this questionnaire.

About Teaching the TIMSS Class

Questions 11 - 14 ask about instruction for the eighth-grade students in the TIMSS class.

11. How many students are in this class?
   _______ students
   Write in the number.

12. How many eighth-grade students experience difficulties understanding spoken English?
   _______ students in this class
   Write in the number.

13. How often do you do the following in teaching this class?
   Fill in only one circle for each row.

   a) Relate the lesson to students’ daily lives
      Every or almost every lesson
      About half the lessons
      Some lessons
      Never

   b) Ask students to explain their answers
      Every or almost every lesson
      About half the lessons
      Some lessons
      Never

   c) Ask students to complete challenging exercises that require them to go beyond the instruction
      Every or almost every lesson
      About half the lessons
      Some lessons
      Never

   d) Encourage classroom discussions among students
      Every or almost every lesson
      About half the lessons
      Some lessons
      Never

   e) Link new content to students’ prior knowledge
      Every or almost every lesson
      About half the lessons
      Some lessons
      Never

   f) Ask students to decide their own problem solving procedures
      Every or almost every lesson
      About half the lessons
      Some lessons
      Never

   g) Encourage students to express their ideas in class
      Every or almost every lesson
      About half the lessons
      Some lessons
      Never

14. In your view, to what extent do the following limit how you teach this class?
   Fill in only one circle for each row.

   a) Students lacking prerequisite knowledge or skills
      Not at all
      Some
      A lot

   b) Students suffering from lack of basic nutrition
      Not at all
      Some
      A lot

   c) Students suffering from not enough sleep
      Not at all
      Some
      A lot

   d) Students absent from class
      Not at all
      Some
      A lot

   e) Disruptive students
      Not at all
      Some
      A lot

   f) Uninterested students
      Not at all
      Some
      A lot

   g) Students with mental, emotional, or psychological impairment
      Not at all
      Some
      A lot

   h) Students with difficulties understanding the language of instruction
      Not at all
      Some
      A lot
Teaching Science to the TIMSS Class

Questions 15 - 17 ask about science instruction for the eighth-grade students in the TIMSS class.

15

In a typical week, how much time do you spend teaching science to the students in this class?

_____________ minutes per week

Write in the number of minutes per week. Please convert the number of hours into minutes.

16

In teaching science to the students in this class, how often do you ask them to do the following?

Fill in only one circle for each row.

Every or almost every lesson
About half the lessons
Some lessons
Never

a) Listen to me explain new science content

b) Observe natural phenomena and describe what they see

c) Watch me demonstrate an experiment or investigation

d) Design or plan experiments or investigations

e) Conduct experiments or investigations

f) Present data from experiments or investigations

g) Interpret data from experiments or investigations

h) Use evidence from experiments or investigations to support conclusions

i) Read their textbooks or other resource materials

j) Have students memorize facts and principles

k) Use scientific formulas and laws to solve routine problems

l) Do field work outside of class

m) Work in mixed ability groups

n) Work in same ability groups
### Using Computers for Teaching Science to the TIMSS Class

**Question 18** asks about computer use for teaching science to the eighth-grade students in the TIMSS class.

**A.** Do the students in this class have computers (including tablets) available to use during their science lessons?

**Fill in one circle only.**

- Yes -- 1
- No -- 2

*(If No, go to question 19)*

**B.** What access do the students have to computers?

**Fill in only one circle for each row.**

- Each student has a computer -- 1
- The class has computers that students can share -- 2
- The school has computers that the class can use sometimes -- 3

**C.** How often do you do activities on computers during science lessons to support learning for:

**Fill in only one circle for each row.**

- Whole class -- 1
- Low-performing students -- 2
- High-performing students -- 3
- Students with special needs -- 4

---

**Grade 8 Teacher Questionnaire – Science**
### Science Topics Taught to the TIMSS Class

uestion 19 asks about the topics taught and the content covered in teaching science to the eighth-grade students in the TIMSS class.

The following list includes the main topics addressed by the TIMSS science test. Choose the response that best describes when the students in this class have been taught each topic. If a topic was in the curriculum before the eighth grade, please choose “Mostly taught before this year.” If a topic was taught half this year but not yet completed, please choose “Mostly taught this year.” If a topic is not in the curriculum, please choose “Not yet taught or just introduced.”

#### A. Biology

<table>
<thead>
<tr>
<th>Topic</th>
<th>Mostly taught before this year</th>
<th>Mostly taught this year</th>
<th>Not yet taught or just introduced</th>
</tr>
</thead>
<tbody>
<tr>
<td>a) Differences among major taxonomic groups of organisms (plants, animals, fungi, mammals, birds, reptiles, fish, amphibians, insects)</td>
<td>1</td>
<td>2</td>
<td>3</td>
</tr>
<tr>
<td>b) Major organs and organ systems in humans and other organisms (structure/function, life processes)</td>
<td>1</td>
<td>2</td>
<td>3</td>
</tr>
<tr>
<td>c) Cells, their structure and functions, including respiration and photosynthesis as cellular processes</td>
<td>1</td>
<td>2</td>
<td>3</td>
</tr>
<tr>
<td>d) Life cycles, sexual reproduction, and heredity (inherited versus acquired/learned characteristics)</td>
<td>1</td>
<td>2</td>
<td>3</td>
</tr>
<tr>
<td>e) Role of variation and adaptation in survival/extinction of species (including fossil evidence)</td>
<td>1</td>
<td>2</td>
<td>3</td>
</tr>
<tr>
<td>f) Interdependence of populations of organisms in an ecosystem (e.g., carbon and water cycles, energy flow, food webs, competition, predation, human impacts on ecosystems)</td>
<td>1</td>
<td>2</td>
<td>3</td>
</tr>
<tr>
<td>g) Human health (e.g., causes, transmission, and prevention of common infectious diseases, immunity) and the importance of diet, exercise, and other lifestyle choices in maintaining health</td>
<td>1</td>
<td>2</td>
<td>3</td>
</tr>
</tbody>
</table>

#### B. Chemistry

<table>
<thead>
<tr>
<th>Topic</th>
<th>Mostly taught before this year</th>
<th>Mostly taught this year</th>
<th>Not yet taught or just introduced</th>
</tr>
</thead>
<tbody>
<tr>
<td>a) Particulate structure, classification, and composition of matter (protons, neutrons, electrons, atoms, molecules, elements, compounds, mixtures)</td>
<td>1</td>
<td>2</td>
<td>3</td>
</tr>
<tr>
<td>b) The periodic table as an organizing principle for the known elements</td>
<td>1</td>
<td>2</td>
<td>3</td>
</tr>
<tr>
<td>c) Physical and chemical properties of matter</td>
<td>1</td>
<td>2</td>
<td>3</td>
</tr>
<tr>
<td>d) Mixtures and solutions (e.g., solvent, solute, concentration/dilution)</td>
<td>1</td>
<td>2</td>
<td>3</td>
</tr>
<tr>
<td>e) Properties of common acids and bases (e.g., acids have pH less than 7, reactions with indicators produce color changes, acids and bases neutralize each other)</td>
<td>1</td>
<td>2</td>
<td>3</td>
</tr>
<tr>
<td>f) Characteristics of chemical reactions (e.g., transformation of reactants, evidence of chemical change)</td>
<td>1</td>
<td>2</td>
<td>3</td>
</tr>
<tr>
<td>g) Matter and energy in chemical reactions (conservation of matter, familiar exothermic and endothermic reactions, factors affecting reaction rates)</td>
<td>1</td>
<td>2</td>
<td>3</td>
</tr>
<tr>
<td>h) The role of electrons in chemical bonds</td>
<td>1</td>
<td>2</td>
<td>3</td>
</tr>
</tbody>
</table>
Choose the response that best describes when the students in this class have been taught each topic. If a topic was in the curriculum before the eighth grade, please choose “Mostly taught before this year.” If a topic was taught half this year but not yet completed, please choose “Mostly taught this year.” If a topic is not in the curriculum, please choose “Not yet taught or just introduced.”

Fill in only one circle for each row.

### C. Physics

<table>
<thead>
<tr>
<th>Topic</th>
<th>Mostly taught before this year</th>
<th>Mostly taught this year</th>
<th>Not yet taught or just introduced</th>
</tr>
</thead>
<tbody>
<tr>
<td>a) Physical states and changes in matter (explanations of properties in terms of movement and distance between particles; phase change, changes in volume and/or pressure, physical changes)</td>
<td>1</td>
<td>2</td>
<td>3</td>
</tr>
<tr>
<td>b) Energy transformation and transfer (e.g., forms of energy, energy conservation, heat temperature, equilibrium)</td>
<td>1</td>
<td>2</td>
<td>3</td>
</tr>
<tr>
<td>c) Basic properties/behaviors of light (reflection, refraction, color, shadows, simple ray diagrams)</td>
<td>1</td>
<td>2</td>
<td>3</td>
</tr>
<tr>
<td>d) Basic properties/behaviors of sound (vibrations that produce sound, transmission through media, loudness, pitch)</td>
<td>1</td>
<td>2</td>
<td>3</td>
</tr>
<tr>
<td>e) Electric circuits (e.g., electrical conductors/insulators and the flow of electricity in series/parallel circuits)</td>
<td>1</td>
<td>2</td>
<td>3</td>
</tr>
<tr>
<td>f) Properties and uses of permanent magnets and electromagnets</td>
<td>1</td>
<td>2</td>
<td>3</td>
</tr>
<tr>
<td>g) Motion and forces (e.g., basic description of motion, common mechanical forces, properties of forces, effects of forces, simple machines, buoyancy, effects of density and pressure)</td>
<td>1</td>
<td>2</td>
<td>3</td>
</tr>
</tbody>
</table>

### D. Earth Science

<table>
<thead>
<tr>
<th>Topic</th>
<th>Mostly taught before this year</th>
<th>Mostly taught this year</th>
<th>Not yet taught or just introduced</th>
</tr>
</thead>
<tbody>
<tr>
<td>a) Earth’s structure and physical features (e.g., Earth’s crust, mantle, and core; composition and relative distribution of water; composition of Earth’s atmosphere)</td>
<td>1</td>
<td>2</td>
<td>3</td>
</tr>
<tr>
<td>b) Earth’s processes, cycles, and history (e.g., rock cycle, major geological events, formation of fossils and fossil fuels, water cycle, weather versus climate)</td>
<td>1</td>
<td>2</td>
<td>3</td>
</tr>
<tr>
<td>c) Earth’s resources, their use, and conservation (e.g., renewable/nonrenewable resources, human use of land and water resources)</td>
<td>1</td>
<td>2</td>
<td>3</td>
</tr>
<tr>
<td>d) Earth in the Solar System and the universe (phenomena on Earth: seasons, eclipses, tides, phases of moon; members of the Solar System; physical features of Earth)</td>
<td>1</td>
<td>2</td>
<td>3</td>
</tr>
</tbody>
</table>
Exhibit D-7. TIMSS 2019 Grade 8 Science Teacher Questionnaire—Continued

### Science Homework for the TIMSS Class

Question 20 asks about science homework for the eighth-grade students in the TIMSS class.

#### A. How often do you usually assign science homework to the students in this class?

Fill in one circle only.

I do not assign science homework --- 1

Less than once a week --- 2

1 or 2 times a week --- 3

3 or 4 times a week --- 4

Every day --- 5

(Go to question 21)

#### B. When you assign science homework to the students in this class, about how many minutes do you usually assign? (Consider the time it would take an average student in your class.)

Fill in one circle only.

15 minutes or less --- 1

16–30 minutes --- 2

31–60 minutes --- 3

61–90 minutes --- 4

More than 90 minutes --- 5

#### C. How often do you do the following with the science homework assignments for this class?

Fill in only one circle for each row.

Always or almost always

Sometimes

Never or almost never

- a) Correct assignments and give feedback to students
- b) Have students correct their own homework
- c) Discuss the homework in class
- d) Monitor whether or not the homework was completed
- e) Use the homework to contribute towards students’ grades or marks

### Science Assessment of the TIMSS Class

Questions 21 - 22 ask about science assessment for the eighth-grade students in the TIMSS class.

#### 21 How much importance do you place on the following assessment strategies in science?

Fill in only one circle for each row.

A Lot

Some

None

- a) Observing students as they work
- b) Asking students to answer questions during class
- c) Short, regular written assessments
- d) Longer tests (e.g., unit tests or exams)
- e) Long-term projects

#### 22 About how often do eighth-grade students in this class take science tests on computers or tablets?

Fill in one circle only.

More than once a month --- 1

Once a month --- 2

Twice a year --- 3

Once a year --- 4

Never --- 5
### Professional Development to Teach Science

**A. In the past two years, have you participated in professional development in any of the following?**

<table>
<thead>
<tr>
<th>Professional Development</th>
<th>Yes</th>
<th>No</th>
</tr>
</thead>
<tbody>
<tr>
<td>a) Science content</td>
<td>1</td>
<td>2</td>
</tr>
<tr>
<td>b) Science pedagogy/instruction</td>
<td>1</td>
<td>2</td>
</tr>
<tr>
<td>c) Science curriculum</td>
<td>1</td>
<td>2</td>
</tr>
<tr>
<td>d) Integrating technology into science instruction</td>
<td>1</td>
<td>2</td>
</tr>
<tr>
<td>e) Improving students’ critical thinking or inquiry skills</td>
<td>1</td>
<td>2</td>
</tr>
<tr>
<td>f) Science assessment</td>
<td>1</td>
<td>2</td>
</tr>
<tr>
<td>g) Addressing individual students’ needs</td>
<td>1</td>
<td>2</td>
</tr>
</tbody>
</table>

**B. Do you need future professional development in any of the following?**

<table>
<thead>
<tr>
<th>Professional Development</th>
<th>Yes</th>
<th>No</th>
</tr>
</thead>
<tbody>
<tr>
<td>a) Science content</td>
<td>1</td>
<td>2</td>
</tr>
<tr>
<td>b) Science pedagogy/instruction</td>
<td>1</td>
<td>2</td>
</tr>
<tr>
<td>c) Science curriculum</td>
<td>1</td>
<td>2</td>
</tr>
<tr>
<td>d) Integrating technology into science instruction</td>
<td>1</td>
<td>2</td>
</tr>
<tr>
<td>e) Improving students’ critical thinking or inquiry skills</td>
<td>1</td>
<td>2</td>
</tr>
<tr>
<td>f) Science assessment</td>
<td>1</td>
<td>2</td>
</tr>
<tr>
<td>g) Addressing individual students’ needs</td>
<td>1</td>
<td>2</td>
</tr>
</tbody>
</table>

**In the past two years, how many hours in total have you spent in formal in-service/professional development (e.g., workshops, seminars) for science?**

<table>
<thead>
<tr>
<th>Hours Spent</th>
<th>Yes</th>
<th>No</th>
</tr>
</thead>
<tbody>
<tr>
<td>None</td>
<td>1</td>
<td>2</td>
</tr>
<tr>
<td>Less than 6 hours</td>
<td>2</td>
<td>1</td>
</tr>
<tr>
<td>6–15 hours</td>
<td>3</td>
<td>1</td>
</tr>
<tr>
<td>16–35 hours</td>
<td>4</td>
<td>1</td>
</tr>
<tr>
<td>More than 35 hours</td>
<td>5</td>
<td>1</td>
</tr>
</tbody>
</table>
Thank You

Thank you for the thought, time, and effort you have put into completing this questionnaire.

National Center for Education Statistics
U.S. Department of Education
Potomac Center Plaza (PCP), 550 12th St., SW, 4th floor
Washington, DC  20202
USA

The National Center for Education Statistics (NCES), within the U.S. Department of Education, conducts TIMSS in the United States as authorized by the Education Sciences Reform Act of 2002 (ESRA 2002, 20 U.S.C., §9543). All of the information you provide may be used only for statistical purposes and may not be disclosed, or used, in identifiable form for any other purpose except as required by law (20 U.S.C., §9573 and 6 U.S.C. §151).

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. The valid OMB control number for this voluntary information collection is 1850-0695. The time required to complete this information collection is estimated to average 30 minutes per student, including the time to review instructions and complete and review the information collection. If you have any comments or concerns regarding the accuracy of the time estimate(s), suggestions for improving the form, or questions about the status of your individual submission of this form, write directly to: Trends in International Mathematics and Science Study (TIMSS), National Center for Education Statistics, Potomac Center Plaza (PCP), 550 12th St., SW, 4th floor, Washington, DC 20202.

OMB No. 1850-0695, Approval Expires 01/31/2021.

In this booklet, you will find questions about yourself. Some questions ask for facts while other questions ask for your opinion.

Each question is followed by a number of answers. Fill in the oval next to or under the answer of your choice as shown in Examples 1, 2, and 3.

Example 1
Do you go to school?

Fill in one oval only.

Yes -- •

No -- ᵖ

Example 2
How often do you do these things?

Fill in only one oval for each row.

Every day or almost every day || Once or twice a week || Once or twice a month || Never or almost never

a) I talk with my friends ............... • || || ||
b) I play sports ......................... • || • || • || c) I ride a skateboard ............... • || • || • ||
Example 3

What do you think? Tell how much you agree with these statements.

Fill in only one oval for each row.

<table>
<thead>
<tr>
<th>Agree a lot</th>
<th>Agree a little</th>
<th>Disagree a little</th>
<th>Disagree a lot</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

a) Watching movies is fun
b) I like eating ice cream
c) I do not like waking up early
d) I enjoy doing chores

• Read each question carefully, and pick the answer you think is best.
• Fill in the oval next to or under your answer.
• If you decide to change your answer, completely erase your first choice. Then, fill in the oval next to or under your new answer.
• Ask for help if you do not understand something or are not sure how to answer.
About You

1

A. Are you a girl or a boy?

*Fill in one oval only.*

- Girl --
- Boy --

B. Are you Hispanic or Latino?

*Fill in one oval only.*

- Yes, I am Hispanic or Latino --
- No, I am not Hispanic or Latino --

C. Which of the following best describes you?

*Fill in oval(s) for all that apply.*

- White --
- Black or African American --
- Asian --
- American Indian or Alaska Native --
- Native Hawaiian or other Pacific Islander --
When were you born?

*Fill in the ovals next to the month and year you were born.*

<table>

3

A. How often do you speak English at home?

*Fill in one oval only.*

- Always -- ☐ *If Always, please go to question 4*
- Almost always -- ☐
- Sometimes -- ☐
- Never -- ☐

*If Almost always, Sometimes, Never; please go to question 3B*

B. What language do you speak at home (other than English)?

*Fill in one oval only.*

- Spanish -- ☐
- Other -- ☐ *Please specify ________________*
4

About how many books are there in your home? (Do not count magazines, newspapers, or your school books.)

*Fill in one oval only.*

- None or very few (0–10 books) -- ☐
- Enough to fill one shelf (11–25 books) -- ☐
- Enough to fill one bookcase (26–100 books) -- ☐
- Enough to fill two bookcases (101–200 books) -- ☐
- Enough to fill three or more bookcases (more than 200) -- ☐

5

Do you have any of these things at your home?

*Fill in only one oval for each row.*

a) A computer or tablet ----------------------- ☐ ☐

b) Study desk/table for your use ----------- ☐ ☐

c) Your own room ----------------------------- ☐ ☐

d) Internet connection ------------------------ ☐ ☐

e) Your own cell phone ----------------------- ☐ ☐

f) A gaming system (e.g., PlayStation, Wii, Xbox) ------------------------------------- ☐ ☐

g) VCR, DVD, or Blu-ray player ---------- ☐ ☐
The following questions are about your Parent/Guardian A and Parent/Guardian B. If you have only one parent/guardian, answer for Parent/Guardian A. If you have two parents/guardians, choose one for Parent/Guardian A and the other for Parent/Guardian B.

**6**

What is the highest level of education completed by your parents/guardians?

A. Parent/Guardian A

*Fill in one oval only.*

- Less than high school -- ○
- Some high school -- ○
- High school graduate -- ○
- Associate’s degree (2-year college program) -- ○
- Bachelor’s degree (4-year college program) -- ○
- Master’s degree or professional degree (MD, DDS, lawyer, minister) -- ○
- Doctorate (Ph.D., or Ed.D.) -- ○
- I don’t know -- ○
- Not applicable -- ○
What is the highest level of education completed by your parents/guardians?

B. Parent/Guardian B

*Fill in one oval only.*

- Less than high school -- ⊗
- Some high school -- ⊗
- High school graduate -- ⊗
- Associate’s degree (2-year college program) -- ⊗
- Bachelor’s degree (4-year college program) -- ⊗
- Master’s degree or professional degree (MD, DDS, lawyer, minister) -- ⊗
- Doctorate (Ph.D., or Ed.D.) -- ⊗
- I don’t know -- ⊗
- Not applicable -- ⊗
7

How far in your education do you expect to go?

*Fill in one oval only.*

- Finish middle school -- ☐
- Finish high school -- ☐
- Finish Associate’s degree (2-year college program) -- ☐
- Finish Bachelor’s degree (4-year college program) -- ☐
- Finish Master’s degree or professional degree (MD, DDS, lawyer, minister) -- ☐
- Finish Doctorate (Ph.D., Ed.D.) -- ☐

8

Were your parents/guardians born in the United States? (“United States” includes the 50 states, its territories, the District of Columbia, and U.S. military bases abroad.)

A. Parent/Guardian A

*Fill in one oval only.*

- Yes -- ☐
- No -- ☐
- I don’t know -- ☐
- Not applicable -- ☐

B. Parent/Guardian B

*Fill in one oval only.*

- Yes -- ☐
- No -- ☐
- I don’t know -- ☐
- Not applicable -- ☐
A. Were you born in the United States?

Fill in one oval only.
Yes -- ☐
(If Yes, go to question 10)
No -- ☐

If No,

B. If you were not born in the United States, how old were you when you came to the United States?

Fill in one oval only.
Older than 10 years old -- ☐
5 to 10 years old -- ☐
Younger than 5 years old -- ☐
The following questions ask about activities you do outside of school.

*Fill in only one oval for each row.*

<table>
<thead>
<tr>
<th></th>
<th>Yes</th>
<th>No</th>
</tr>
</thead>
<tbody>
<tr>
<td>a) Do you play on a sports team outside of school?</td>
<td></td>
<td></td>
</tr>
<tr>
<td>b) Do you often play a musical instrument outside of school?</td>
<td></td>
<td></td>
</tr>
<tr>
<td>c) Are you studying something in a class outside of school?</td>
<td></td>
<td></td>
</tr>
<tr>
<td>d) Do you belong to a club outside of school (like Boy/Girl Scouts, 4-H, or Boys and Girls Club)?</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

In this school year, are you preparing for or have you participated in any of the following activities?

*Fill in only one oval for each row.*

<table>
<thead>
<tr>
<th></th>
<th>Yes</th>
<th>No</th>
</tr>
</thead>
<tbody>
<tr>
<td>a) Science fair</td>
<td></td>
<td></td>
</tr>
<tr>
<td>b) Science club</td>
<td></td>
<td></td>

<td></td>
<td></td>
</tr>
</tbody>
</table>
12. A. About how often are you absent from school?

*Fill in one oval only.*

- Once a week -- ☐
- Once every two weeks -- ☐
- Once a month -- ☐
- Once every two months -- ☐
- Never or almost never -- ☐

B. How many days were you absent from school in the last month?

*Fill in one oval only.*

- None -- ☐
- 1 or 2 days -- ☐
- 3 or 4 days -- ☐
- 5 to 10 days -- ☐
- More than 10 days -- ☐

13. Have you ever repeated a grade?

*Fill in only one oval for each row.*

- In elementary school -- ☐ ☐
- In middle or junior high school -- ☐ ☐
### 14

How often do you feel this way when you arrive at school?

*Fill in only one oval for each row.*

<table>
<thead>
<tr>
<th></th>
<th>Every day</th>
<th>Almost every day</th>
<th>Sometimes</th>
<th>Never</th>
</tr>
</thead>
<tbody>
<tr>

31
How hard was this test compared to most other tests you have taken this year in school?

*Fill in one oval only.*

- Easier than other tests -- ☐
- About as hard as other tests -- ☐
- Harder than other tests -- ☐
- Much harder than other tests -- ☐

32
How hard did you try on this test compared to how hard you tried on most other tests you have taken this year in school?

*Fill in one oval only.*

- Not as hard as on other tests -- ☐
- About as hard as on other tests -- ☐
- Harder than on other tests -- ☐
- Much harder than on other tests -- ☐

33
How important was it to you to do well on this test?

*Fill in one oval only.*

- Not very important -- ☐
- Somewhat important -- ☐
- Important -- ☐
- Very important -- ☐
Thank You!
Thank you for filling out the questionnaire!

TIMSS 2019 Curriculum Questionnaire – Eighth Grade - Grade Structure and Student Flow

G2. A. in your country, what is the stated official policy or regulation on students’ age of entry to primary school (ISCED Level 1)?
Examples: “Children begin school during the calendar year of their 6th birthday”; “Children must be 6 years old by the end of June to begin school the following September.”

B. If the official policy allows some parental discretion or choice, please describe the usual practice.
Example: “Even though the official policy is that students can begin school in the year when they turn 6 years old, children typically begin primary school at age 7 because their parents feel they will benefit from being more mature.”

Use of Digital Devices

This mathematics module refers to the national curriculum that was in effect for the eighth grade students assessed in TIMSS 2019—the curriculum that covers mathematics instruction at the eighth grade of formal schooling for the majority of students. If you do not have a national curriculum, please summarize for your state or provincial curriculum.

M5. A. Does the national curriculum contain statements/policies about the use of digital devices (e.g., computers, tablets, calculators) in grade 8 mathematics instruction?

Check one circle only:

- Yes
- No

If Yes...

What are the statements/policies?

TIMSS 2019 Curriculum Questionnaire – Eighth Grade - Eighth Grade Mathematics Topics Covered

7. (continued)
(i) According to the national mathematics curriculum, what proportion of grade 8 students should have been taught each of the following topics or skills by the end of grade 8?

Be sure to include curriculum expectations for all grades up to and including grade 6. Grades represent years of formal schooling. For example, if “Year 9” in your country corresponds to the eighth year of formal schooling, please choose grade 8.

(ii) Across grades from primary through upper secondary education, at what grade(s) are the topics primarily intended to be taught?

If there are no any specifications to this detail, please indicate national expectations to the best of your ability. If part of a topic does not apply (e.g., fractions in part A topic (ii)), please explain in the comments field.

<table>
<thead>
<tr>

B. Is the science curriculum currently being revised?
Check one circle only:

- Yes
- No

If Yes...
Please explain:

If No...

Use of Digital Devices

This science module refers to the national curriculum that was in effect for the eighth grade students assessed in TIMSS 2019—the curriculum that covers science instruction at the eighth grade of formal schooling for the majority of students. If you do not have a national curriculum, please summarize for your state or provincial curriculum.

Q5. Does the national curriculum contain statements/policies about the use of digital devices (e.g., computers, tablets, calculators) in grade 8 science instruction?

Check one circle only.

- Yes
- No

If Yes...
What are the statements/policies?

**S7.** (i) According to the national science curriculum, what proportion of grade 8 students should have been taught each of the following topics or skills by the end of grade 8?

Be sure to include curriculum expectations for all grades up to and including grade 8. Grades represent years of formal schooling. For example, if “Year 9” in your country corresponds to the eighth year of formal schooling, please choose grade 8.

(ii) Across grades from preprimary through upper secondary education, at what grade(s) are the topics primarily intended to be taught?

If there are not any specifications to this detail, please indicate national expectations to the best of your ability. If part of a topic does not apply (e.g., energy flow in part A topic (i)), please explain in the comment field.

- Differences among major taxonomic groups of organisms (plants, animals, fungi, mammals, birds, reptiles, fish, amphibians, insects)
- Major organs and organ systems in humans and other organisms (structure/function, life processes)
- Cells, their structure and functions, including respiration and photosynthesis as cellular processes
- Life cycles, sexual reproduction, and heredity (inherited versus acquired/learned characteristics)
- Role of variation and adaptation in survival/motion of species (including fossil evidence)

TIMSS 2019 Curriculum Questionnaire – Eighth Grade - Eighth Grade Science Topics Covered

1) Interdependence of populations of organisms in an ecosystem (e.g., carbon and water cycles, energy flow, food webs, competition, predation, human impacts on ecosystems)

2) Human health (e.g., causes, transmission, and prevention of common infectious diseases; immunity) and the importance of diet, exercise, and other lifestyle choices in maintaining health
