/*****
*** Layout File ***
***
*** This file is designed to provide the necessary information so ***
*** that NCES survey response data may be used in other statistical ***
*** software packages. This file provides variable names, ASCII ***
*** file locations, and short descriptions for all tagged variables. ***
*** Additionally, for categorical variables, this file also contains ***
*** the response codes and value label descriptions. ***
***
*** Full sample weights, replicate weights, and identification ***
*** numbers are added automatically to the list of variables tagged ***
*** by the EDAT and are included here. ***
