## The IlliniData Achievement Gateway Project

# Achievement Gap Task Force

1. Parental Involvement
2. After-School Programs
3. Adopt-A-School
4. Data Analysis

# The Vision

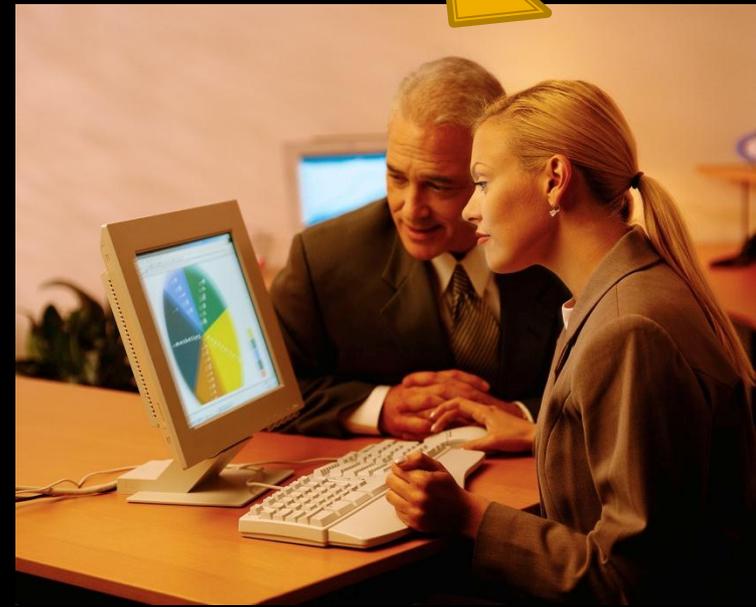

**All decisions are data-driven, based on the needs of students. Ready access to specific, timely information about student learning provides a roadmap for planning, intervention, and instruction.**

# The Challenge

Data in disparate systems  
Time sensitivity of data  
Use of Data to guide instruction.

# State Farm Support

**Requirements Modeler**  
**Research and Technology Analyst**  
**Interface Design Specialist**  
**Programmers**  
**Usability Testing Personnel**

# Integrity Schools Partnership

**SIF**

**Data Warehouse**

**IlliniData Teacher Portal**

# How is Achievement Gateway being used?

- ✓ Review individual student achievement
- ✓ Differentiate classroom instruction
- ✓ Identify students in need of targeted intervention
- ✓ Identify group and subgroup challenges
- ✓ Planning/ organizing in advance for building, grade level, class improvement
